Students Feedback Analysis

Academic Year 23 - 24

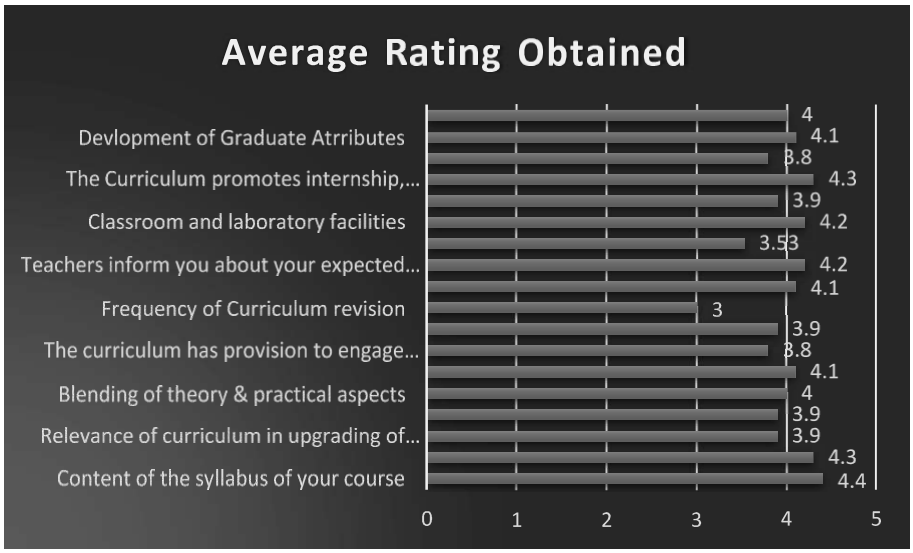

Collecting feedback from the stakeholders is crucial for the success of every institution. For the same, an online feedback form was sent to students. All feedback was analysed by using a five-point rating scale. The maximum score is five, and the minimum score is one, where five indicates excellent or strongly agree, four indicates very good or agree, three indicates good or neutral, two indicates fair or disagree, and one indicates poor or strongly disagree.

Summary of the Analysis:-

Total number of students given feedback: 921

Sr no	Question asked	Average Rating Obtained
1	Content of the syllabus of your course	4.4
2	Time duration allotted for syllabus completion	4.3
3	Relevance of curriculum in upgrading of knowledge & understanding	3.9
4	Enhancement of skill & competency	3.9
5	Blending of theory & practical aspects	4.0
7	Curriculum facilitates you in cognitive, social and emotional growth.	4.1
8	The curriculum has provision to engage students in the monitoring, review and continuous quality improvement of the teaching learning process	3.8
9	The Curriculum inculcates soft skills, life skills and employability skills to make you ready for the world of work	3.9
10	Frequency of Curriculum revision	3.0
11	Curriculum Delivery by teachers	4.1
12	Teachers inform you about your expected competencies, course outcomes and programme outcomes.	4.2
13	Career & placement opportunities	3.53
14	Classroom and laboratory facilities	4.2
15	Quality of Library/knowledge resources	3.9
16	The Curriculum promotes internship, student exchange, field visit opportunities	4.3
17	Elective subjects related to the main course	3.8
18	Devlopment of Graduate Atrributes	4.1
19	The overall quality of academic performance.	4.0

Based on the student's feedback analysis for the year **2023-24** the following are the observations:

- **Content of the syllabus of your course (4.4)**:This indicates that the content covered in the syllabus is highly rated, suggesting that it is comprehensive and relevant.
- **Time duration allotted for syllabus completion (4.3**): This rating suggests that the time allocated for covering the syllabus is generally considered appropriate, neither too rushed nor too lengthy.
- **Relevance of curriculum in upgrading of knowledge & understanding (3.9):**This rating reflects that the curriculum is seen as relevant and valuable for enhancing knowledge and understanding.
- **Enhancement of skill & competency (3.9**): The curriculum is believed to effectively enhance skills and competencies among students.
- **Blending of theory & practical aspects (4.0**): There seems to be a good balance between theoretical and practical components in the curriculum, which is often seen as beneficial for learning.
- **Curriculum facilitates you in cognitive, social, and emotional growth (4.1):** The curriculum is viewed as conducive to the cognitive, social, and emotional development of students.
- **The curriculum has provision to engage students in the monitoring, review, and continuous quality improvement of the teaching-learning process (3.8)**: This suggests that there are mechanisms in place for involving students in improving the quality of teaching and learning.
- **The Curriculum inculcates soft skills, life skills, and employability skills to make you ready for the world of work (3.9):** The curriculum is perceived as including elements that prepare students with soft skills, life skills, and employability skills, which are essential for the job market.

- **Frequency of Curriculum revision (3.0**): The curriculum's revision frequency is rated lower, indicating that it may not be updated as frequently as desired.
- **Curriculum Delivery by teachers (4.1)**: Teachers are delivering the curriculum effectively, as indicated by this rating.
- **Teachers inform you about your expected competencies, course outcomes, and program outcomes (4.2):** Teachers provide students with clear information about what is expected of them in terms of competencies, course outcomes, and program outcomes.
- **Career & placement opportunities (3.53):** The opportunities related to career and placement are rated moderately, suggesting that there may be room for improvement in this aspect.
- **Classroom and laboratory facilities (4.2):** This rating suggests that the classroom and laboratory facilities are of high quality, creating a conducive environment for teaching and learning.
- **Quality of Library/knowledge resources (3.9):** While the quality of library and knowledge resources is generally good, there may be some room for improvement to enhance the resources available to students.
- **The Curriculum promotes internship, student exchange, field visit opportunities (4.3):** The curriculum is effective in promoting opportunities for internships, student exchanges, and field visits, which can enhance students' practical experiences and exposure to real-world scenarios
- **Development of Graduate Attributes (4.1):** The curriculum is successful in fostering the development of graduate attributes, which are often important skills and qualities that students need for their future careers
- **The overall quality of academic performance (4.0):** The overall quality of academic performance is rated highly, indicating that students are performing well in their academic pursuits.

- Teachers agreed to the fact that curriculum gives scope for employability (scores obtained 3.8).

CHRIST COLLEGE – PUNE

Alumni Feedback Analysis

Academic Year 2022-2023 2023-24

An institution of excellence cannot any longer be an island unto itself and with the great resource that our alumni are, spread across the world, we are aware of the tremendous possibilities for connecting, in our efforts to take Christ College forward. The college views its alumni as a valuable source of information. Alumni feedback offer important perspectives for evaluating academic programs and student services. Alumni feedback occupies a prominent position in the strategic development policies. It also helps to improve the accountability of the system.

Collecting feedback from the alumni is crucial for the success of every institution. All these feedbacks were analysed by using a five-point rating scale. The grade points are as follows:

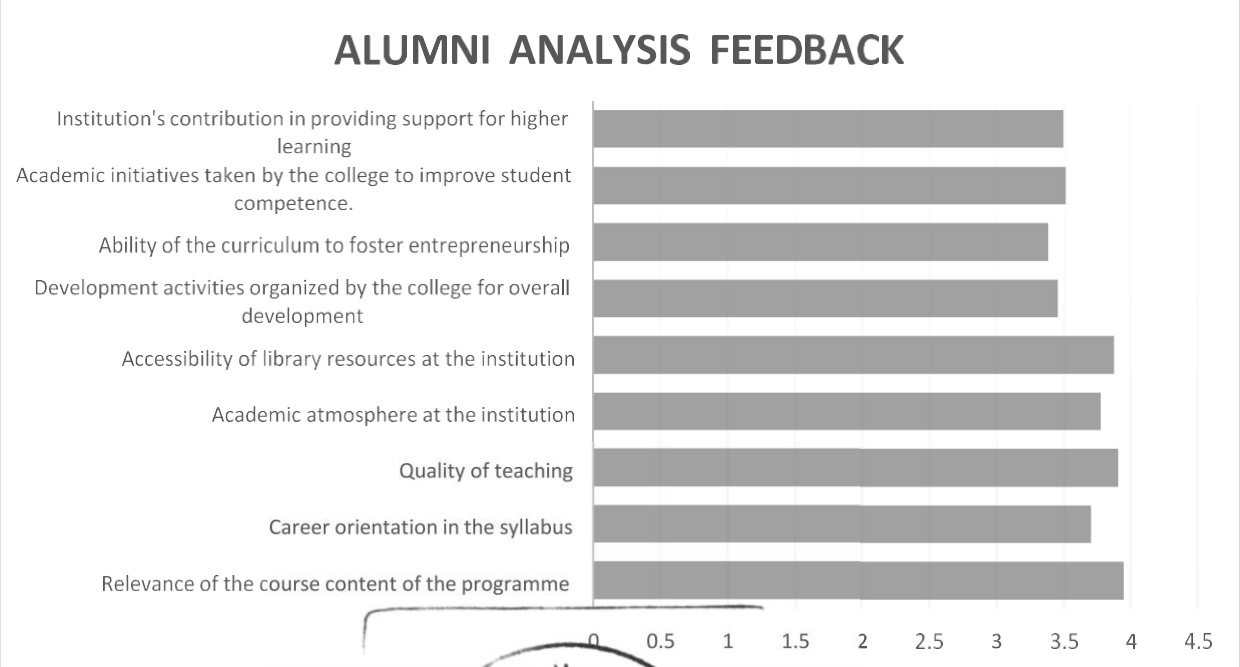

- The maximum score is 5 and the minimum score is one
- 5 indicates highly satisfied
- 4 means satisfied.
- 3 indicates neutral
- 2 indicates dissatisfied
- 1 indicates highly dissatisfied.

Process & Submission:

At the beginning of every academic year, the Alumni Engagement team prepares an online MCQ based feedback form for the recently graduated students and shares the same electronically. These forms are filled in by the Alumni online and responses are analysed. The feedback analysis is submitted to the Internal Quality Assurance Cell, for further discussions and decision making.

Summary of the Analysis:

Criteria	Grade
Relevance of the course content of the programme	3.70
Career orientation in the syllabus	3.94
Quality of teaching	3.90
Academic atmosphere at the institution	3.77
Accessibility of library resources at the institution	3.87
Development activities organized by the college for overall development	3.45
Ability of the curriculum to foster entrepreneurship	3.38
Academic initiatives taken by the college to improve student competence	3.51
Institution's contribution in providing support for higher learning	3.49
