WORKSHOP ON DIGITAL MARKETING

A two day workshop on digital marketing was held in Christ College on the 29th and 30th of August, 2019. The program revolved around giving an insight about the emerging trends of digital marketing in the business community, the speaker for the program was Mr. Adit Chauhan, an Author, Entrepreneur, Digital Marketer and a Professional Emcee.

On the first day of the program, we were introduced to the basic fundamentals which included making websites on wordpress, about the domains and servers also included quiz around, the entire session was an interactive one. The next day of the program we were given insight about how digital marketing works on google and how one can advertise their brand on the same and attract more viewers and customers. On the last day of digital marketing course he took a test and choose the first five candidates to participate at a higher level and represent our college.

The course was a complete package that had all the possible amount of information which gave us the management students a base and a consideration while working in an office or the ones who are willing to open a new business. This workshop also helped to know what exactly it takes for businesses to maintain their position in the competitive market and how useful the information gained would be.
