Career Guidance and Skill Development

Workshop

Objectives:

1. To enlighten students about the various career options available and how they must make the right choice in choosing a career for themselves

2. To help students understand management skills and to methods on how to develop the same

3. To help students understand the importance of Business Analytics and Team Building

Venue: - CIM LAVASA **Date:** - 7th February 2020 **Day:** - Friday

The TY students were given an opportunity to attend an off campus career guidance program on 7th February 2020 at Christ Institute of Management - Lavasa. On arrival the students were given few minutes to freshen up before the program started. They were then led into the auditorium where the program was to be conducted. The program commenced with a welcome speech followed by few words of wisdom by the Director Fr. Jossy George. The speech was then followed by a video screening in reference to the objective of the program – Career Guidance and Skill Development. Dr Bina Paul was then called upon to explain and talk about the importance of Business Analytics and how it adds value to the various specializations such as Marketing, HR, Finance, etc. Hari Prasad- an experienced student then gave his point of view on dual specializations and placements. The management faculty in charge for Economics then went on enlightening the students about the various courses offered and how it could most

definitely add value to their employment skills. Campus facilities and extracurricular activities involved therein were also discussed. The overall program inspired the final year students and gave them clarity about making decisions about their career ahead and what skills they must need to adapt for the same. A total of 100 students along with two faculty members attended the program. The program ended after a span of 2 hours with a lunch break and campus tour towards the end. The students also participated in an interactive team building activity organized by the management in which various skills were put into practice. Overall it was an informative and inspiring visit for all.
