The students of TY BBA and TY BBA (IB) had the opportunity of taking part in a one day Career Guidance Program held in Christ College - Pune premises on 26th August 2019. The programme was conducted by Mr Tushar Kant Garg - A current MBA student pursing post Graduate program in Management at IIM Bangalore. Mr Garg commenced the programme by introducing himself to the audience wherein he gave the students an insight about his ongoing education and career journey. He then briefed the students about the importance of pursing an MBA degree and the scope and exposure that would be beneficial for them ahead. He spoke about the criterion required for admission in various universities and the scholarships included therein. He also referred various other business management courses which could interest the students and add more weightage to their CV. He also shared some success stories to motivate the students. The seminar took place midday for around 45 minutes and a total of 60 students attended the same. The session was very useful since a lot of queries and doubts of students were discussed and resolved on an interactive basis. The workshop was a grand success

as most of the students benefitted and had concrete career plans by the end. There was an interactive Question and Answer session, and the program came to an end with Lisa Lewis of TYBBA proposing Vote of Thanks. Feedback was collected.

Dear Mr. Tushar

We would consider it a great privilege if you could conduct a seminar pertaining to career guidance for our students of management stream.
Considering that you are currently pursuing post graduation in management from IIM Bangalore, it would be helpful if you could throw some light on the scope of MBA and the preparation required for the same.

Awaiting your response
