REPORT

Christ College Pune Internal Quality Assurance Cell in Association with National Service Scheme organized a National Webinar on 8th March 2022, at 12 pm via Google Meet, on the occasion of International Women's Day. The theme was 'Gender Equality Today for a Sustainable Tomorrow'. Ms Ruchira Sawant, the co-founder of MakeShift, Mumbai, Space science Communicator and Educator, was the resource person for the day.

The event started with a welcome address by Ms Lis Maria Saju, NSS Representative, followed by a talk by the speaker Ms Ruchira who began by interacting with the audience, asking various thought- provoking questions. She shared how working as the only woman team member made her realize that equality is not treating the person special but like one among us. During the talk, she shared the importance of bridging the gap between education and design thinking and emphasized three questions to ask ourselves when working on any problem statement. First, ask what are you doing, then find why are you doing it and then seek for whom are you doing it for. The talk came to a close with a round of questions and answers in which the audience actively participated. All positively filled out the feedback forms. The resource person thanked the organizers for arranging the live webinar. The webinar ended with a vote of thanks by Mr Rufus Samuel, IQAC Student Representative. Around 86 participants tookpart, including faculty members, students and NSS volunteers.
