CHRYSALIS 2023

A colourful world!

General Description

Chrysalis 2023 is an annual intra-college competition event that embodies the spirit of transformation and hope. It serves as a platform for students to showcase their talents, compete in a variety of cultural and sports activities, and foster a sense of community within our college. Organized by the Student Cultural Association, Chrysalis offers opportunities for individual and team participation in events ranging from art, literature, and stage performances to sports like football, cricket, throwball, dodgeball, tug of war, and athletics.

Students can represent one of the six teams: Red Titans, Rising Blue, The Evergreens, Pink Falcons, Orange Orcas, and Black Knights, emphasizing the importance of teamwork and intelligence in winning championships. The ultimate goal is to claim the coveted trophy as the overall winner.

Chrysalis not only encourages the development of skills and talents but also nurtures leadership, organizational abilities, and teamwork. It is a transformative experience that brings out the best in every Christite, fostering personal growth and holistic refinement.

Join us in this exciting event, as the next few days promise a period of magnificent transformation. We wish all participants the best of luck in Chrysalis 2023, and may your hard work, dedication, and talent lead to success! Thank you for being a part of this inspiring journey.
