The first day started with a blast with the inauguration ceremony followed by the football tournament, the second day witnessed all the cultural events including mehendi, hand painting, fireless cooking, sketching, rangoli in the college buildings and solo singing, solo dance, and group dance in the Chavara Hall. This was followed by the athletic and other team sports events on day three including 100m, 200m and 40x50m for both men and women, tug of war for men and dodgeball for women. Chrysalis 2022 was concluded on the 27th June after a week of holiday with a felicitation ceremony.

DAY 1

The official opening of Chrysalis 2022 took place on June 9 at 11 am on the college grounds. All of the teams were instructed to take a position with their flags and a handmade poster that would later be marked. In order to achieve the highest possible points, each team came up with creative ideas to create their banners.

Chrysalis 2022 got off to a wonderful start owing to the dynamic and enthusiastic emceeing provided by FY BBA student Priyanshu Srivastava and fest student coordinator Suhana Nagarkoti. Rufus Samuel, the fest's student coordinator, led the Chrysalis Pledge after which our principal Rev. Dr. Arun Antony Chully CMI hoisted the flag and declared Chrysalis 2022 open. Next Ms. Puja Jindal, the fest's coordinator, encouraged the teams with her motivational remarks.

FOOTBALL

The inauguration ceremony was followed directly by the start of the football tournament. The tournament was handled and coordinated by Mr Dinup Chandran, Mr Sagar Dhikale and team. The tournament's format was knock-out, which means that any team that loses a match is instantly eliminated. Every match lasted thirty minutes, or fifteen minutes for each half, and the title game lasted forty minutes, or twenty minutes for each half. Teams were required to have six active players on the field and four subs. All of the official game regulations were applicable, with the exception of the off-side rule. Another interesting rule was that One member of the college football team could only be present on the field while the game was in progress. This regulation was put in place to prevent match prejudice and to provide each team an equal chance of victory.. Based on random chit-picking rules, two of the teams—Alpha Indigo and Yellow Citrine—were already in the semi-finals. The Orange Orcas and the Pink Falcons kicked off the opening match, and the Orange Orcas came out on top. As a result, the Pink Falcons were eliminated, while the Orange Orcas advanced to the semifinals. The Evergreens and Rising Blues competed in the next game. Both sides played outstanding defense, which prevented either club from scoring in the opening period. The Rising Blues were eliminated as a result of The Evergreens' late-game scoring, which came after multiple failed attempts to breach the Rising Blues' defense.

The tournament advanced to the semifinals after the first round saw the elimination of the two teams. The Orange Orcas and the Yellow Citrine competed in the first semifinal. In terms of chemistry, ball movement, and adding pressure to the opposing squad, both teams performed admirably. The spectators got to see some intense moments in the game due to the continual tussling and clashing. This worsened when Yellow Citrine had only five players on the pitch instead of six after one of their

Christ College-Pune

ख्राईस्ट महाविद्यालय-पुणे

players was sent out for misconduct. The Orange Orcas were given an advantage as a result, which they made the most of by scoring multiple goals in the game's second half. The Yellow Citrine was eliminated in the hopes of winning the match for third place, while the Orange Orcas advanced to the finals. The Evergreens and Alpha Indigo competed in the second semi-final match. Both teams gave it their all in their competitive play. As a result, the game ended without any goals. Alpha Indigo won the match and advanced to the finals alongside the Orange Orcas as a result in the penalites. The Evergreens were eliminated and had only one more opportunity to redeem themselves in the third position match.

The third position match between The Evergreens and the Yellow Citrine was played after a brief pause. In the first thirty minutes of play, no decision was made, similar to the previous game. After a close battle with Yellow Citrine, The Evergreens emerged triumphant in the penalty shootout, placing them as the tournament's second runners-up.

And now for the championship game. The Orange Orcas and the Alpha Indigo competed in the title match. The first half of the game was tough and surprising, but the Orange Orcas came out on top in the second. After the first goal, the Alpha Indigo seemed to have lost their fighting spirit and motivation which was exactly opposite of the Orange Orcas. This may possibly be the result of the Orange Orcas' numerous player substitutions, which allowed them to maintain possession of the ball while Alpha Indigo was compelled to play defense after the first goal. The Orange Orcas received the highest possible marks as a result, winning the football championship title while Alpha Indigo had to settle for First runner-ups.

100-meter and 200-meter track.

For 100m, the athletes had to touch a chair at the 50-meter mark and then return to the starting line to complete a 100-meter race because the track was only 50 meters long. Similar motion was used for 200 meters, except that it was increased by two times.

For the 100 and 200 meters, each team was required to field 4 athletes. Following that, 24 athletes would compete in three heats of eight athletes each. The top two finishers from each heat advance to the finals. In 100m Three of the four athletes from the Orange Orcas advanced to the finals, dominating the heat races. For the men's 100meters sprint the orange orcas dominated the race even in the final heat, with all three competitors securing the top positions namely ADAMANT TIRKEY (601) at second-runners up, OM SALUKHE (603) at first-runners up, and ELTON LOPEZ (600), the winner. And in the Women's 100 meters sprint the top positions were acquired by Vedashree Gore (533), Yellow Citrine being the second runner up, first runner-up position by Arti Kujur (435), Pink Falcons and the winner was Aishwarya (333) Rising Blues.

Not much changed in the 200-meter event, which was initially dominated by the Orange Orcas considering two athletes had already qualified for the finals. Even so, in the heat three race, the leading Orange Orcas contender collapsed just before crossing the finish line, placing him in third place. KHUSANG PARMAR (304) of the Rising Blues claimed the final heat, and the Orange Orcas again took the second and third places, with ELTON LOPEZ (600) coming at first runner-up and ADAMANT TIRKEY (601) coming at second runner-up.
