Mapro - Industrial Visit

General Report

The Department of Management organized an Industrial Visit on 14th October 2022 for the students of the course TY BBA and TY BBA(IB) accompanied by the faculties, Mr. Santosh Lal and Ms. Wilma Dias. The industrial visit was conducted at Mapro WI-Plant. During the visit, a brief description of the processes and functioning of the Mapro was given. Mapro is known for its variety, quality & innovative products in Processed Fruit products in western India.

Aims and Objectives:

1. To fill the gap between industry and academia to have real-time experience.
2. Observation and functioning of marketing and supply chain for understanding the primary manufacturing process.
3. To get an insight into the cold chain storage facility.

Learning Outcome:

1. Through this visit, students got detailed insights about managing and properly functioning the supply chain, marketing, and cold storage facility. The logistics drivers of this industry are facilities, inventory availability, and transportation.
2. This visit helped them to enlighten about the procurement of fruit and Fruit products
3. the students understood the quality testing process after visiting the quality control section.
