"A clean India would be the best tribute India could pay to Mahatma Gandhi on his 149th birth anniversary in 2018". With this aim NSS volunteers initiated with public awareness drive 'Hum Swachh Toh Bharat Swachh' at wadgaoansheri. We spend a lot of time and effort to keep our own houses clean and hygienic, we fail to keep our surroundings and neighborhoods clean. More often than not, we end up disposing the garbage from our homes, religious places, shops, premises onto the streets, parks, drain, roads, etc. outside our homes/offices/institutions/temples etc. We litter in public places while keeping our homes clean. In the process, we fail to realize the risk we are posing to our own health by adopting these harmful practices.

The NSS Volunteers carried out behavior change interventions through intensive inter-personal communications and door to door drives in local areas, especially towards source segregation of waste, recycling and reusing dry waste, etc.

Beneficiary: Local public residing near Mulamutha river bank

02nd October 2019 marked a special occasion as it was the 150th anniversary of the Father of the Nation, Mahatma Gandhi. The principles and value put forth by Gandhiji has been variedly accepted and acknowledged in India as well as across the Globe. NSS too tries to incorporate these values and principles put forth by Gandhiji into its activities. Gandhiji always stressed upon the need and importance of a clean atmosphere and society. Following the similar principle, an NSS activity of a cleanliness drive was conducted throughout the city. Every college was given an area of the city wherein a cleanliness drive could be carried out. Christ College too participated in this drive and was allotted the Yerwada bridge and surrounding places. Volunteers went under the bridge on the banks of the river Mula – Mutha to clean the area. Lots of plastic and garbage was collected by volunteers and accumulated at one place so that it could be picked up easily. The activity indeed turned out to be successful as the officials were quite satisfied with the work of the volunteers.

Dear Rev. Soni

Greetings and Good Wishes!

Attaining a friendly and green environment has always been a great concern worldwide and research discloses that organic farming can partly offer a solution. Long term studies about organic agricultural practice reveal it can provide an impressive mechanism for promoting ecological harmony, biodiversity, and biological cycles which are vital for environmental sustainability.

To contribute in a small measure towards this cause, The Bishop's School, Camp, has formed the Bishop's Organic Farming Club (BOFC), which is active and has undertaken various projects within the school campus.

We are happy to announce that "THE COCO WEEKEND – a two-day community driven celebration about organic and sustainable lifestyles" in collaboration with the Bishop's Organic Farming Club, is being organized at The Bishop's School, Camp, on Saturday, 30th November and Sunday, 1st December 2019 from 10.30 am to 6.30 pm.

The highlights of the weekend is Panel discussion with experts, workshops and entertainment, the Coco Market and competitions. The keynote address will be given by Dr. Vandana Shiva, an Indian scholar, environmental activist, food sovereignty advocate, and anti-globalization author, on 30th November 2019 at 10.30 am.

We hereby extend our cordial invitation to your students (around 30 junior college students) and staff to attend this weekend programme, which will help to create an awareness about the organic farming and interest to undertake organic agricultural projects.

For further details of the programme, please feel free to contact: Ms. M Hora, Dean, Junior College, The Bishop's School, Pune, Cell No: 9503156953

NSS Unit volunteers witnessed the 25th National Youth Day online inaugural ceremony by the hon'ble Prime Minister of India Shri. Narendra Modi. PM Modi started his speech by paying tribute to Swami Vivekananda. He said, "I bow down to Swami Vivekananda on his birth anniversary. Apart from it being a year of Azadi ka #AmritMahotsav, it is special for two more reasons. This year as we celebrate 150th anniversary of Shri Aurobindo & the 100th birth anniversary of Subramania Bharati." PM Modi highlighted the fact that today, the world sees India with hope because India represents the youth with its dreams, actions & innovations. He highlighted how India's rich ancient heritage continues to remain 'young' in the lives of Indians & reflects in our day-to-day lives. PM Modi said, "India's two important assets 'demography & democracy' are the development drivers for India, which the Indian youth is leading shoulder-to-shoulder. The speech inspired the volunteers towards the vision of transforming minds of Indian youth into a united force that works towards the betterment of the country.

DURATION: 4 hours

NSS unit of Christ College Pune conducted a rigorous cleanliness drive. The Volunteers cleaned the college campus. Cleanliness is next to Godliness. Sticking to this, the Volunteers took over this responsibility of keeping their campus spik and span. For this they made groups among themselves and started cleaning the allotted areas. They picked up wrappers, chalk pieces and swept the floor. It was a good move and helped create awareness among them about the importance of keeping their surroundings clean especially where they spend most of their time in gaining knowledge. This drive motivated other students too and they also joined in the campus cleaning drive.

'NATIONAL WEBINAR ON 'GENDER EQUALITY TODAY FOR A SUSTAINABLE TOMORROW'

DATE : 8th March 2022

Volunteers' Participation: 86

Christ College Pune Internal Quality Assurance Cell in Association with National Service Scheme organized a National Webinar on 8th March 2022, at 12 pm via Google Meet, on the occasion of International Women's Day. The theme was 'Gender Equality Today for a Sustainable Tomorrow'. Ms Ruchira Sawant, the co-founder of MakeShift, Mumbai, Space science Communicator and Educator, was the resource person for the day.

The event started with a welcome address by Ms Lis Maria Saju, NSS Representative, followed by a talk by the speaker Ms Ruchira who began by interacting with the audience, asking various thought-provoking questions. She shared how working as the only woman team member made her realize that equality is not treating the person special but like one among us. During the talk, she shared the importance of bridging the gap between education and design thinking and emphasized three questions to ask ourselves when working on any problem statement. First, ask what are you doing, then find why are you doing it and then seek for whom are you doing it for. The talk came to a close with a round of questions and answers in which the audience actively participated. All positively filled out the feedback forms. The resource person thanked the organizers for arranging the live webinar. The webinar ended with a vote of thanks by Mr Rufus Samuel, IQAC Student Representative. Around 86 participants took part, including faculty members, students and NSS volunteers.

SPPU WORKSHOP ON GENDER SENSITIZATION

DATE : 24th & 25th March 2022

Volunteers' Participation: 02

As per Savitribai Phule Pune University circular, Christ College sent two volunteers namely Mohsin Mohammad Chunnawala and Shawn Coutinho to attend the residential workshop to be held at Environmental Department, SPPU. NSS PO of Christ College, Dr Priya Wahab worked as a member of hospitality committee of the workshop. The workshop was organized by Savitribai Phule University Pune and Baya Karve Women's Studies and Research Centre of Maharshi Karve Women's Education Institute. The workshop was based on Gender Sensitization. Registration began on 9:00am at University Environmental Department. There were total of 300 students registered for the workshop. After the registration, volunteers were provided food coupons, ID card, notebook, pen and leaflet of the event. First session began after breakfast with introduction of the teachers that will be hosting the workshop that was on the topic 'Difference between Gender and Sex'. It was interestingly explained with help of few games and songs. Then after lunch the main theme of the workshop was shared i.e., Gender Sensitization. It was discussed thoroughly with few activities like group songs and group-based activity i.e., to perform different ideas that were discussed on the same day including our own creativity and style. After dinner at 11:00 pm we were guided towards the accommodation, which was excellent and got a good night sleep.

The session on next day was scheduled at same location at 7:00 am. It was mainly about acupressure and body warmup exercises and to prepare our minds for the upcoming activity.

Then soon after the breakfast and students were told to split themselves into groups and were given different topics to each group. The activity was about preparing charts about the given topic and present the same on stage. It was quite interesting for all as it helped everyone to let their creativity out and clear the motive of gender sensitization in everyone's mind. Students were given opportunity to speak about their experiences and share their thoughts. The two day residential workshop came to an end with certificate distribution.

We are writing this letter to request permission to execute Akshara's Youth for Change program with the colleges in Nashik and Pune. This program runs in 24 Mumbai colleges with permission from NSS and WDC.

About Akshara and Youth for Change Program:

Akshara Centre is a non-profit and a women's rights organization working for women's empowerment and an inclusive and safe city for over 25 years. We believe in engaging young men along with young women in this process of building a gender just world. Consistent dialogues and interactions are required to sensitize individuals on gender issues. We engage with college going youth in Mumbai and provide information on gender in a simplified way, establish spaces for conversation, and provide opportunities for them to act on what they have learnt. The Youth for Change (YCP) Program makes an effort to develop tomorrow's active and conscious citizens, who will be engaged in the democratic process.

YCP is a yearlong program which involves interactive workshops, social actions, webinars and events on the topic of Gender and Citizenship. Akshara collaborates with 20-25 colleges in Mumbai via NSS department of Mumbai University. This year we have expanded the program to two other cities in Maharashtra, in collaboration with other organizations of Nashik and Pune. Abhiyakti Media for Development in Nashik, Centre for Youth Development and Activities (CYDA) in Pune are taking lead to execute the program in their cities. We would like to start with 5 colleges in Nasik and 5 colleges in Pune.

We have been collaborating with NSS unit of Mumbai university since many years Mr. Sudhir Puranik has been a great support in the journey of the Program. We request you to grant the permission to execute this program in colleges affiliated to Pune University in the city of Nashik and Pune.
