Alumni Feedback Analysis

Academic Year 2020-2021

An institution of excellence cannot any longer be an island unto itself and with the great resource that our alumni are, spread across the world, we are aware of the tremendous possibilities for connecting, in our efforts to take Christ College forward. The college views its alumni as a valuable source of information. Alumni feedback offer important perspectives for evaluating academic programs and student services. Alumni feedback occupies a prominent position in the strategic development policies. It also helps to improve the accountability of the system.

Collecting feedback from the alumni is crucial for the success of every institution. All these feedbacks were analysed by using a five-point rating scale. The grade points are as follows:

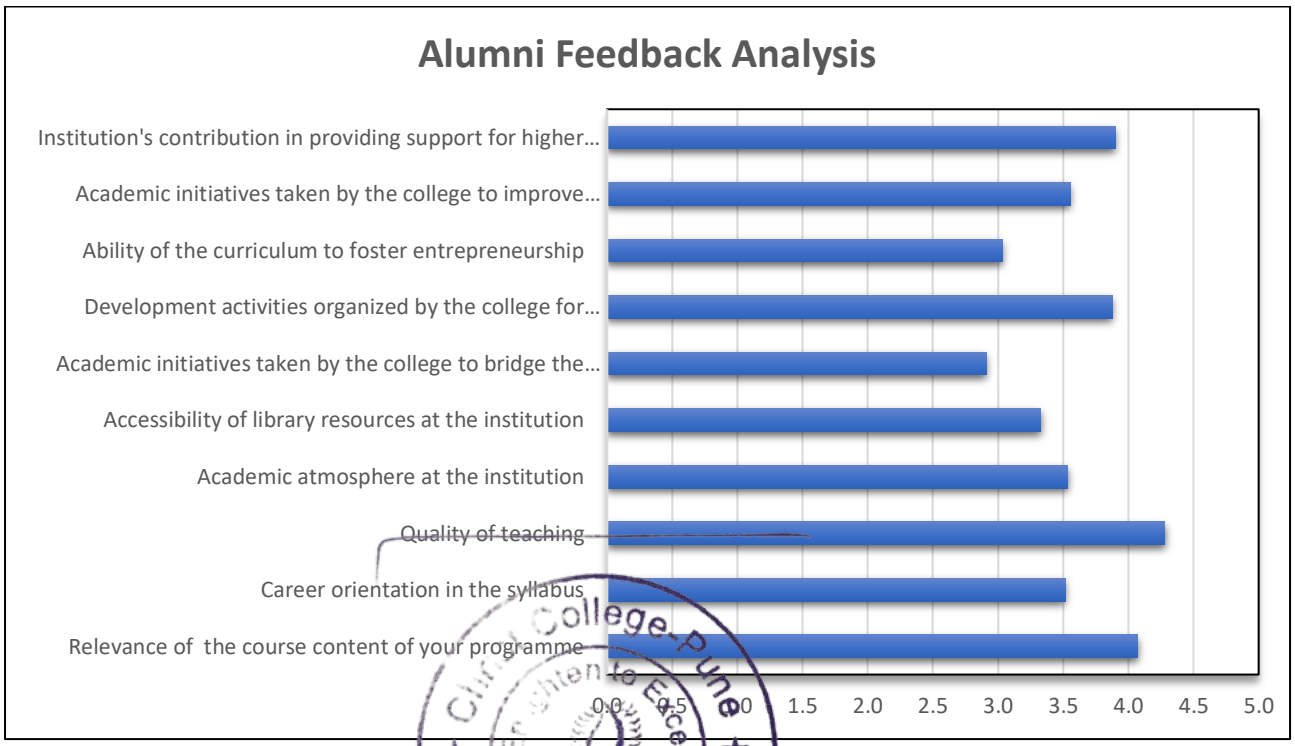

- The maximum score is 5 and the minimum score is one
- 5 indicates highly satisfied
- 4 means satisfied.
- 3 indicates neutral
- 2 indicates dissatisfied
- 1 indicates highly dissatisfied.

Process & Submission:

At the beginning of every academic year, the Alumni Engagement team prepares an online MCQ based feedback form for the recently graduated students and shares the same electronically. These forms are filled in by the Alumni online and responses are analysed. The feedback analysis is submitted to the Internal Quality Assurance Cell, for further discussions and decision making.
