Student Feedback Report 2021 - 2022

Based on the student's feedback analysis for year 2021-2022, the following are the observations:

- Most of the students agreed that the teachers were prepared before the class with PPT's, charts or e-learning study materials that enhanced better understanding of the portions taken. Students extremely appreciated the preparations done by teachers before class (score obtained is 4.01)
- Students were convinced with the communication skills of teachers as well as teaching approach and hence an appreciable score of 3.67 and 3.91 was obtained respectively.

Students are highly satisfied with teacher's Confidence, Class control & Approach-ability.

- Students strongly agreed to the fact that assessments were based on content covered in assignments and lectures (score obtained is 4.38). Students approved that the teacher conducted enough revision lectures on the subject allotted to him/her.
- It is also revealed that a continuous assessment technique is practiced in institution, in addition, performance of student in each assessment is discussed with students in detail. (score obtained 3.76 and 4.11 respectively).
- Students have strongly agreed to the fact that teachers have practised interactive, innovative as well as practical methodology of teaching, thereby creating an interest and desirability towards the area of study thus earning a score of 4.36.
- The fact that teaching and mentoring process in the institution facilitates students in cognitive, social and emotional growth is proven correct by feedback obtained (score obtained is 3.82).
- About 70.65% students agreed that 100% of syllabus was covered and about 15% students confirmed that 85 to 99% syllabus was covered by faculty. And only fewer students claimed that syllabus wasn't satisfactorily covered. Hence it is evident that syllabus was sufficiently covered.
- From student's feedback obtained it is discovered that the institution promotes internships, student exchange and field visit opportunities for students (score obtained 4.01).
- The ability of this institute to inculcate soft skill, employ ability skills and inspires students for ethical conduct is appreciated (score obtained is 3.02).
- Students agreed to the fact that teachers help students to face learning challenges or difficulties by identifying strengths and weakness thereby helping students to move forward. The fact that the helps provided by teachers were irrespective of gender/ culture and impartially in all aspects

learnt that, teachers' ability to identify student's strengths and weakness have helped students to overcome hardships they faced.

- Students agree to the fact that, overall quality of teaching and learning in this institute is more than satisfactory (score obtained 3.95).

CHRIST COLLEGE – PUNE

Alumni Feedback Analysis

Academic Year 2021-2022

An institution of excellence cannot any longer be an island unto itself and with the great resource that our alumni are, spread across the world, we are aware of the tremendous possibilities for connecting, in our efforts to take Christ College forward. The college views its alumni as a valuable source of information. Alumni feedback offer important perspectives for evaluating academic programs and student services. Alumni feedback occupies a prominent position in the strategic development policies. It also helps to improve the accountability of the system.

Collecting feedback from the alumni is crucial for the success of every institution. All these feedbacks were analysed by using a five-point rating scale. The grade points are as follows:

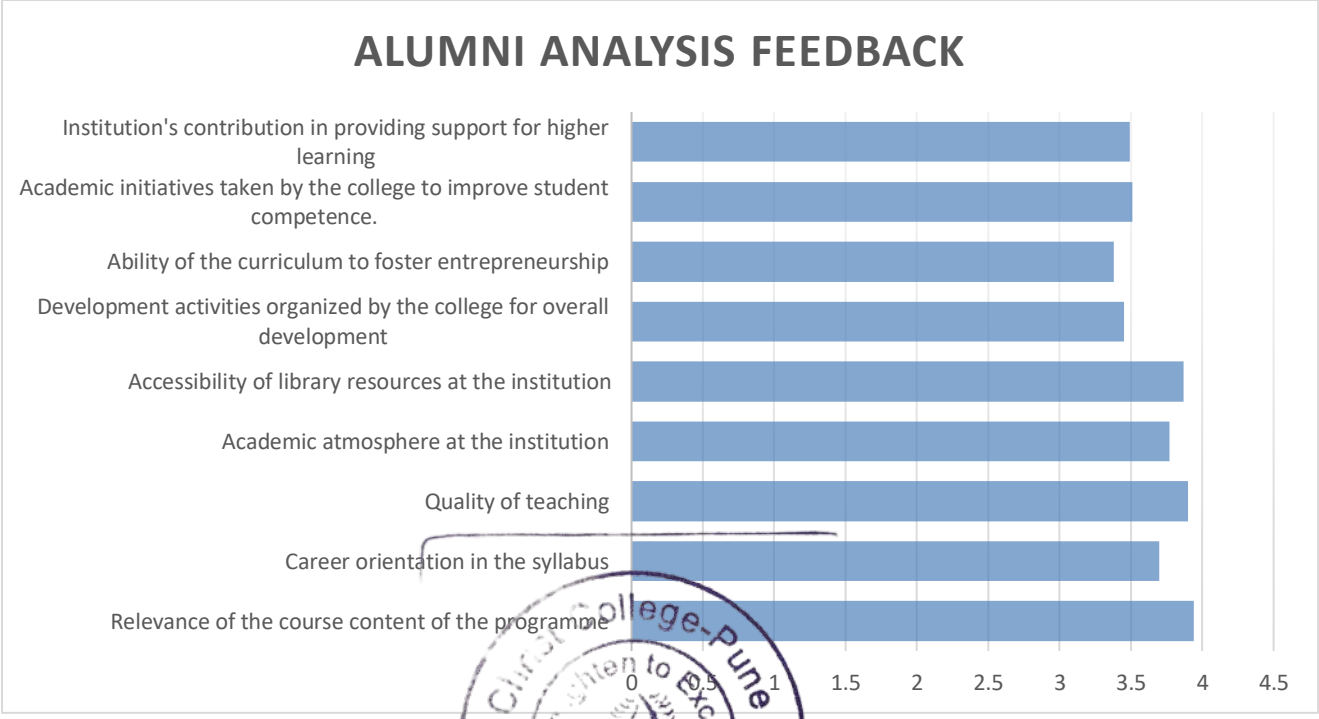

- The maximum score is 5 and the minimum score is one
- 5 indicates highly satisfied
- 4 means satisfied.
- 3 indicates neutral
- 2 indicates dissatisfied
- 1 indicates highly dissatisfied.

Process & Submission:

At the beginning of every academic year, the Alumni Engagement team prepares an online MCQ based feedback form for the recently graduated students and shares the same electronically. These forms are filled in by the Alumni online and responses are analysed. The feedback analysis is submitted to the Internal Quality Assurance Cell, for further discussions and decision making.

Summary of the Analysis:

Criteria	Grade
Relevance of the course content of the programme	3.94
Career orientation in the syllabus	3.70
Quality of teaching	3.90
Academic atmosphere at the institution	3.77
Accessibility of library resources at the institution	3.87
Development activities organized by the college for overall development	3.45
Ability of the curriculum to foster entrepreneurship	3.38
Academic initiatives taken by the college to improve student competence.	3.51
Institution's contribution in providing support for higher learning	3.49

Findings:

Analysis of the alumni feedback for the year 2021-2022 revealed the following:

1. Most of the alumni are satisfied with the course content and admits that the course content was rather pertinent in their jobs. [3.94/5].
2. The career-oriented syllabus was quite helpful for them to find out an employment soon after their graduation/post-graduation [3.69/5].
3. The alumni fraternity are highly satisfied with the quality of teaching the institution provides. [3.90/5].
4. The college has a positive and balanced academic atmosphere that enabled them to be successful in their life [3.77/5].
5. The students / alumni are satisfied with the availability, accessibility and opportunity to refer various materials from the institution library[3.87/5].
6. The Alumni are satisfied with various development activities organized by the college for overall development of the students [3.88/5].
7. It was observed that the institute should engage more in developing and incubating entrepreneurial activities and assistance for the students. Ability of the curriculum to foster entrepreneurship need to be improved [3.38/5].
8. It was learnt that the academic initiatives taken by the college to improve student competence has been satisfactory [3.51/5]
9. The Alumni feedback reveals that the institution supports higher learning and student progression for higher education [3.49/5].
