to me

Dear Prof. Deepa Sujith,

Trust you are doing well and this note finds you in good health.

I'm writing to you on behalf of the team at St Pauls Institute of Communication Education, Mumbai.

In lieu of the pandemic, I'd like to discuss an opportunity to organize a virtual session- conducted via a webinar- for all Third Year BA, B.Sc Commerce students, as well as students from other disciplines who'd like to know about choosing a media career. We had conducted a similar session, wherein our faculty had visited the Christ College, Pune Campus for a session in January 2018.

As this is a be-spoke session, it will cater largely to, preparing for a career & life after graduation, as future media specialists, advertisers and journalists.

We will be pleased to organize a session for your students either in the month of February or March 2021. This will be an hour long webinar where the programme directors will review media careers and related opportunities.

I will be happy to work with your team - if you could nominate a member of your staff to work with me to plan this session- and schedule a webinar at a mutually convenient time.

I look forward to your response,

Thanking you,

Sincerely,

Karen Monteiro

CHRIST COLLEGE – PUNE

Department of Commerce

Guest Lecture

Department of commerce, Christ College, Pune organized a guest lecture on GST (goods & service tax) & career on GST & revenue department for the students of T.Y.B.Com on 7th of November 2020 from 11:00 am - 12:00 pm via Google meet. The guest lecturer was eminent speaker: Mr. Dheeraj N. Musale (superintendent in GST and customs) - central GST, Commissionerate-II, Pune, The guest speaker was heartily welcomed by Ms. Fiza Shaikh, student of T.Y.B.com. The lecture was attended by 60 students (approx.)

The speaker threw light on the following topics of discussion; GST was introduced in 2017. Different types of GST and their different rates. In India there are four different types of GST that are 5%, 12%, 18% &28%. 28% of tax is applicable for luxury items & remaining three is for common goods. India has four rates because of variety in goods. GST is of three types CGST (central goods and service tax), SGST (state goods and service tax), and IGST (integrated goods and service tax). Concluding, he mentioned about the collection of GSTs which was noticeable due to COVID-19 situation. At the end of the session, doubts were raised by the students which were clarified by the speaker. We learned a lot about the revenue system and getting into the same as a career. Expecting many more seminars or lectures in 'management as a career'.

The guest lecture was arranged for the students by Prof. Blesson James, Department of Commerce. Mr. Uday Singh Proposed the vote of Thanks
