E-WASTE COLLECTION DRIVE

Date : 23rd - 28th May 2022

As we stand in the midst of extreme environmental and climate deterioration. E-waste hazard is one of the major issues we face in this digital era. Electronic waste or e-waste describes discarded electrical or electronic devices. For example old mobile phones, chargers, laptops keypads, pen drives etc.

To curb this issue the NSS UNIT of Christ College, Pune organised an E-waste awareness drive for a week starting from 23rd of May till 28th of May. All the staff and students were requested to contribute to this drive by bringing any electronic waste and discarding it in e-waste dustbin placed in the lobby area near the college office. This e-waste was then recycled by the Recycling Company (Threco Recycling LLP). A certificate was issued by the company for receiving 318.9 Kgs of E-waste.

Outcomes:

- Students were made aware of the possible hazards of E-waste.
- They were educated about what actually is E-waste and how it can be recycled.

GANDHI JAYANTI- CLEANLINESS DRIVE

DATE: 02nd October, 2019

DURATION: 3 hours

Beneficiary: Local public residing near *Mulamutha river bank*

Volunteers' Participation: 25

02nd October 2019 marked a special occasion as it was the 150th anniversary of the Father of the Nation, Mahatma Gandhi. The principles and value put forth by Gandhiji has been variedly accepted and acknowledged in India as well as across the Globe. NSS too tries to incorporate these values and principles put forth by Gandhiji into its activities. Gandhiji always stressed upon the need and importance of a clean atmosphere and society. Following the similar principle, an NSS activity of a cleanliness drive was conducted throughout the city. Every college was given an area of the city wherein a cleanliness drive could be carried out. Christ College too participated in this drive and was allotted the Yerwada bridge and surrounding places. Volunteers went under the bridge on the banks of the river Mula – Mutha to clean the area. Lots of plastic and garbage was collected by volunteers and accumulated at one place so that it could be picked up easily. The activity indeed turned out to be successful as the officials were quite satisfied with the work of the volunteers.

The importance of health and exercising holds very essential to ensure a healthy and fit body for individuals. Cycling is one of the best and easiest forms of exercises that can be carried out to ensure a healthy body. Therefore, bicycle day was celebrated in Christ College wherein students rode bicycles to colleges. The increasing pollution and addiction to motor vehicles has driven students apart from cycling therefore, an entertaining flash mob was enacted to make students aware of the importance of bicycle and also urge them to ride bicycles to college on the bicycle day. Students showed up on their cycles to college and it was a nostalgic feeling for them and reminding them of their good old school days. Thus, the bicycle day was celebrated with all the enthusiasm in college.

This imparted among the students a sense of responsibility towards their Nation. It was a good move and helped create awareness among them about the importance of keeping their surroundings clean.

"A clean India would be the best tribute India could pay to Mahatma Gandhi on his 149th birth anniversary in 2018". With this aim NSS volunteers initiated with public awareness drive 'Hum Swachh Toh Bharat Swachh' at wadgaoansheri. We spend a lot of time and effort to keep our own houses clean and hygienic, we fail to keep our surroundings and neighborhoods clean. More often than not, we end up disposing the garbage from our homes, religious places, shops, premises onto the streets, parks, drain, roads, etc. outside our homes/offices/institutions/temples etc. We litter in public places while keeping our homes clean. In the process, we fail to realize the risk we are posing to our own health by adopting these harmful practices.

The NSS Volunteers carried out behavior change interventions through intensive inter-personal communications and door to door drives in local areas, especially towards source segregation of waste, recycling and reusing dry waste, etc.

As a tribute to the Father of the Nation on his 149th birthday in 2018, Christ College celebrates the birth anniversary of the great leader who gave the world the invincible weapons of Truth, Non-violence and Compassion. The NSS volunteers presented a thought provoking street-play which stressed on the ideologies and principles of Mahatma Gandhi. The play highlighted some of the events from Gandhi ji's life and which urged the students to follow Bapu ji's principles of honesty, truth and hard work.

The acts were liked by the people and media too gave coverage in one of the local newspapers appreciating the initiative taken up by Christ College NSS Unit.
