METRIC NO- 6.4.1

Financial Audit Report

FY 2020-21

Fee Collection Vs Salary Paid

Year	2019-2020	2020-2021
Fee Collection	5,56,27,370.95	4,24,22,632.00
Salary paid	1,57,71,500.00	1,35,58,047.00
Percentage of Salary	28.35	31.95

Considering the income and percentage of money spent for salary, it is advisable to give a better pay scale to the staff along with other possible benefits.

Cash collection : Cash collected at the office shall be deposited in bank date wise. It should not be accumulated. Make sure that the money collected is not used for cash transaction. For cash transactions an amount, required for a few days, shall be withdrawn from bank.

Cash disbursal : In general cash transactions are within the limit of Rupees Ten Thousand. However, on 5-4-2020 Rs. 1,68,500.00 was given to Mr. Francis. It is against the government norm. Further, it is not found to be authorized by competent authority as per CMI Constitutions.

Documentation : College is having space and staff to maintain documentation. All the documents are kept safely. At the same time it is found that they are not properly classified. Please make sure that documents are classified and kept systematically.

Honorarium paid to

- Fr. Joy - Rs. 36300.00
- Fr. Martin - Rs.25000.00
- Francis Jose - Rs. 2500.00
- Vijayan - Rs. 2000.00
- Total - Rs. 65800.00

Penal Interest : It is observed that penal interest was paid on various occasions, even repeatedly in consecutive months, towards the loan account. But it has been not found in the recent past. However, it is evident that the administrative system failed to identify the mistake for years together.

Permissions and Ceiling of Expenditure : Other than the usual maintenance affairs, the approval of competent authority is required to spent money. It is observed that various expenditures found in the accounts of Christ College are neither authorized by local council nor approved by major superior. The particular case of Bird Cage is such an instance. An amount of Rs. 520,915.00 has been spent for bird cage. Corresponding authorization in this regard is not found. Please regularize those defects at the earliest.

Rented Facilities: Certain facilities like Canteen and Stationery Store are rented out and are operated by outsiders. From the account presented for audit it is noted that rent not is collected from them.

Tally Account Entries : Make sure that each entry is given a narration that is evident in itself. While entering bank transactions please include the cheque number/electronic transaction number.

Ledger *Shivjeet Colour* is paid Rs. 97,350.00 on 23-6-2020 and Rs. 3,73,550.00 on 7-9-2020. Vouchers are maintained. But from the *Tally* one cannot make out the nature of payments.

Vehicles : Many of the vehicles purchased are not registered in the name of institution. The registered owners are individuals. Please do the required formalities to change the registered ownership of such vehicles from individuals to institutions concerned. I could not find the required permissions to purchase certain vehicles of College. Please regularize those purchases with sanatio.

Recommendations:

1. Page numbers are not found on some of the documents (minutes book etc.). Ensure that all documentation books (Minutes book etc.) are given page numbers.
2. If some mistakes are made on certain pages of account book or minutes book, it shall not be pasted together. You may strike off the mistaken portion.
3. Documentation : As far as the documents presented for audit are considered, they are not classified properly. Content of files do not match with the title given. Copies of one and the same document are kept in many files. There are irrelevant sheets of paper in almost every file. For example File No. 30 (PANCARD) contains PAN original, 7/12 Extract, A letter *With gratitude from PL John*, Death certificate of Fr. Mathew - copy, TAN No., Village Office payment receipt, Property Tax receipt (Pune Muncipal Corporation), Certificate of Registration of Trust (copy), Warranty Cards, LPG Subscription voucher and Property Tax Assessment 2014. Originals and copies shall be kept separately. Each file should contain documents that are directly related with the topic/item.
4. Ledger 'Salary of Father Province' : An amount of Rs. 1,65,767.70 was credited from Carmel Province, Muvattupuzha in account on 6-6-2020. It is by mistake, I hope, this amount was credited as salary. Please rectify the mistake.
5. Study Expenses of scholastics from Provinces : In *Tally* there are ledgers for Chanda Province, Kochi Province, Kozhikode Province, Trisssur Province and Trivandrum Province. But there are no entries (credit/debit). Please ensure that these ledgers are updated regularly.
6. Honorarium paid to Fathers from Christ College : The honorarium might have been credited in their personal accounts. The personal bank accounts of fathers were not made available for verification. There are two ledgers in *Tally* viz., *Salary of Father Province* and *Salaries Received From Fathers,* Rs. 1,54,884.00 and Rs. 9,16,068.00 were credited respectively. Please ensure that salary and honorarium are credited properly in the account.

7. Please make sure that ledgers are created with a definite purpose and entries are made in a relevant manner. In the *Tally* it is found that there more ledgers than required. Please delete ledgers that are not relevant.
8. Allowance from Parish : Allowance from Parish is not credited as allowance in Carmel Vidya Bhavan's account. Please draw the permitted *allowance* from Carmel Parish and credit it in Carmel Vidya Bhavan's account.
9. The ledger *Cash (Fr. Anish)* is not closed. Found that the account is having a debit of Rs. 32,770.45. Please settle the account operated by Fr. Anish, the former Administrator at the earliest. It should have been done at the time of handing over of his duty.
10. Land documents presented were copies. Informed that originals are kept in Bank to fulfill the requirements of loan(s) availed for College. The files presented concerning land documents were not properly arranged. Therefore, it was difficult to arrive at a proper understanding of landed property.
11. Half of the salary/honorarium drawn by the CMIs should be given to their provinces. Make sure that it is given to the provinces regularly.
12. Internal Audit : Religious and Charitable institutions are closely monitored by government agencies more than ever. Accountability and transparency in decision making and spending money are very well described and defined in CMI Constitutions also. After auditing the documents and accounts of Carmel Vidya Bhavan, I find that you should take a more systematic approach towards documentation and account keeping. The documents presented for audit were not properly classified. Therefore, it was not easy to abstract the needed data from the documents presented. Some of the required documents were not available. The previous General Audit Report also contains a recommendation to continue the management audit. In this context, to establish a solid accounting system and documentation, you are recommend to have a Management Audit of Carmel Vidya Bhavan, Pune and all the constituent institutions within a period of three months.
13. Admission and Appointment procedure followed in Christ College is not documented.
14. It is mandatory to have a Grievance Redressal Committee. Similarly there should be some statutory bodies to deal with Ragging and Sexual Harassment in campus. Please make sure that measures are taken to deal with such issues in College.
15. If needed avail the service of qualified and trained personnel, other than those who are doing the work for you right now, to ensure precision and efficiency.

16. **ATR**: An Action Taken Report on the General Audit Report shall be sent to the Prior General within two months on receipt of this report.

Conclusion : I am very grateful to Fr. Joy, Rector, Fr. Sony, Principal and Fr. Martin, Administrator for your cooperation and support to do the audit. I was impressed by the hospitality of all inmates of Carmel Vidya Bhavan. The community though not big in number was really big in taking care of the needs of others.

I am sure that the committed service of CMI community is the key factor behind the success of Christ College. The leadership of Fr. Rector and cooperation of others are the hallmark of CMI community at Pune. I do appreciate the way you have lived through the Pandemic situation.

We Read in Genesis 2 : 15 "The LORD God took the man and put him in the Garden of Eden to work it and take care of it." We are not owners, but care takers. May the Lord who created everything for us bless us abundantly to discharge our duty and responsibility *to work it and take care of it* faithfully.

Yours in Jesus Christ,
