Alumni Feedback Analysis

Academic Year 2020-2021

An institution of excellence cannot any longer be an island unto itself and with the great resource that our alumni are, spread across the world, we are aware of the tremendous possibilities for connecting, in our efforts to take Christ College forward. The college views its alumni as a valuable source of information. Alumni feedback offer important perspectives for evaluating academic programs and student services. Alumni feedback occupies a prominent position in the strategic development policies. It also helps to improve the accountability of the system.

Collecting feedback from the alumni is crucial for the success of every institution. All these feedbacks were analysed by using a five-point rating scale. The grade points are as follows:

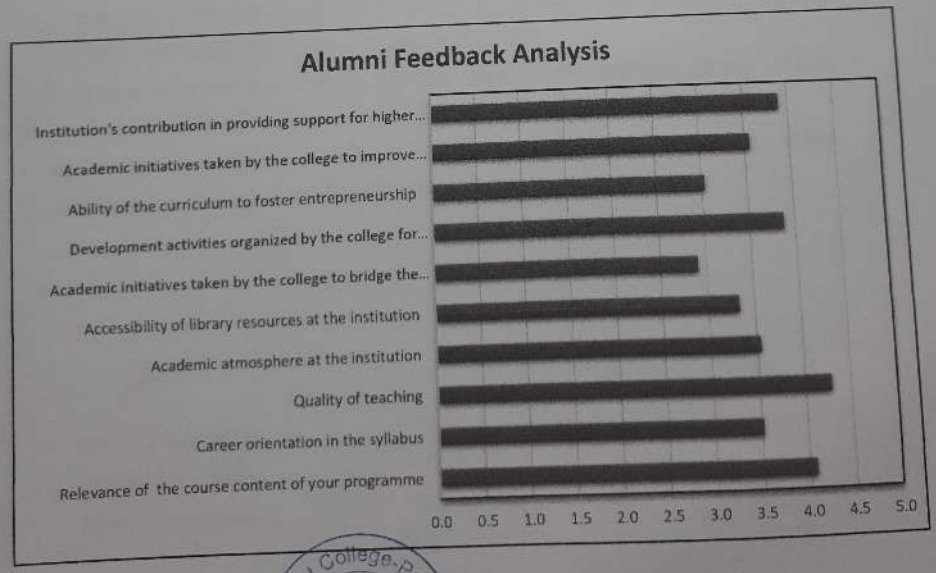

- The maximum score is 5 and the minimum score is one
- 5 indicates highly satisfied
