## About the Activity

Department of Commerce organised a Seminar on 'Career Awareness Session' for TYBCom and TYBBA students on Saturday 27th November 2021. It helped the students to understand the various career options in Commerce with special focus on CA, CS and CMA. It was a very knowledge enriching and engaging session. Towards the end of the session, every student got an opportunity to interact and ask questions to the career counsellor. An attempt was made to answer every students query.

**Aims & Objectives:**

1. To create awareness of Careers in Commerce.
2. To understand the pattern of CA, CS and CMA Courses.

**Learning Outcome:**

1. Awareness of Careers in Commerce.
2. Understand the pattern of CA, CS and CMA Courses.

**No. of Students benefited: 60 students**

To: deepa.sujith@christcollegepune.org <deepa.sujith@christcollegepune.org>

Hi Deepa ma'am,

I am obliged to share this thought with you. A thought where students who do not have guidance regarding what to do after graduation, in where there are plenty of options. What to choose and what not to is always a question.
After having a work experience of almost 3 years in banking operations I have come across various scenarios and array of experiences which could be helpful for freshers.
Currently iam working with Goldman Sachs as a senior analyst in asset management division.
I will be privileged to have a small session with the students of no other than Christ family.

Please find the attached pointers on which the session would be highlighted.

Thank you
Abhijeet Jadhav

## About the Activity

**General Report:**

Department of Commerce along with SMARTLY by SSB institute. Mumbai organized a webinar on careers in the Government Sector, on 18th February 2022. Students of B. Com, BBA and BBA [IB] participated in this webinar. The session helped the students to have a better idea about job vacancies in government sectors and how to go about competitive exams to acquire such opportunities in govt jobs. The webinar was conducted on Google meet.

**Aims & Objectives:**

1. To acquaint students with the requirements to fetch a government job.
2. To help students understand how to effectively crack government competitive exams.
3. To make the students understand the importance of planning in competitive exams.
4. To help students to know about various job schemes available under various ministries in the central and state government.

**Learning Outcome:**

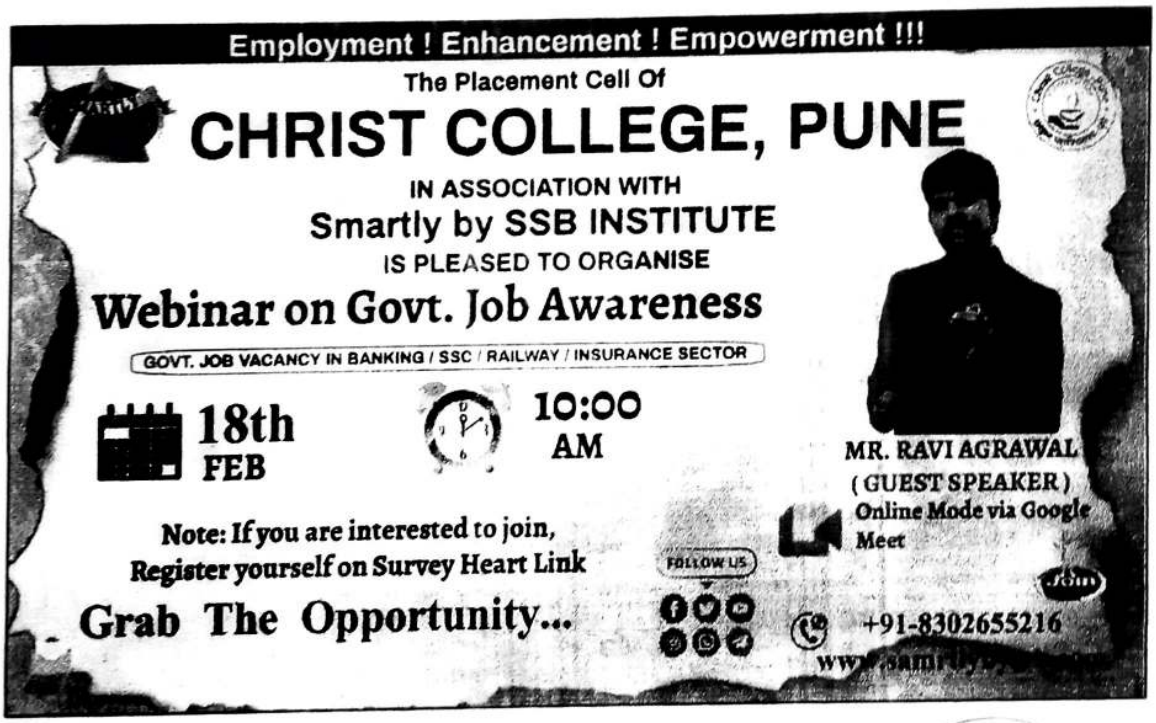

1. Participants will have a clear picture of how to attain a government sector job.
2. Participants will be aware of various job opportunities that awaits them in central and state government ministries.
3. Participants will have a better idea on how to go about the competitive examinations.

**No. of Students benefitted:** 255

**Greetings from SSB Institute!**

I hope this email finds you well. Thank you for your valuable time Sir/ Mam

For your reference - **SSB Educational Trust** is a group of professionals who have been tirelessly pursuing students to achieve great success in their careers. What started as a small time home coaching institute in Dadar, has now become a full time **MSME registered organization**, with 6 branches across **Mumbai and Navi Mumbai** and we are working with 6 states now.

With a staff strength of 15 **employees and 25 qualified faculty members**, expertise put together, we are successfully generating efficient officers every year and facilitating more careers!

Every single year, candidates are inspired to become officers for **Class I and Class II ranks (Group A and Group B services) in Central and State Governments**. However, Mumbai has been so engrossed in the corporate culture, that good opportunities in the Government Sector have been completely neglected.

With respect to the above details, I request you to kindly allow us to conduct an **Hour of Interactive Session with your students**, at any date of your convenience. Awaiting your confirmation.

I would like to add a brief introduction of our speaker, Mr Ravi Agrawal. By qualification he is a B.Com., M.Com, MBA but an extremely passionate educator. His aim is to revolutionise the youth to take up more Govt. Jobs and bring about a fresh change in the functioning of our future India. Based in Mumbai, he has a teaching experience of 8 years in Govt Bank Jobs for SBI and all nationalised banks in India.

## About the Activity

**General Report:**

Christ College – Pune, Department of Science organized a 'Coding Aptitude Test' as part of the Departmental Event on 13th December 2021. The main motto of this event is to shape their Technical knowledge and to sharpen their logical thinking and be successful developers.

This test consists of a random set of 50 multiple choice questions of varying difficulty covering the entire range of topics for the subject. Each question has 4 options out of which one may be correct. The test is to be completed in 45 minutes.

The test was conducted in the online mode. A link has been provided to the students by 10'O clock. https://forms.gle/dVscg39HksUCafak7 336 responses are recorded. This event was successfully conducted under the supervision of Ms.Petricia LR and Mr.Yogesh P.

The merit students are listed below:

| Rank | Student Name | Class |
|---|---|---|
| 1 | Jishnu. P. Nambiar | SYMSC |
| 2 | Neeta Chouudhary | TYBBA(CA) |
| 3 | Ayushi Tyagi | TYBBA(CA) |
| | Abhishek Singh | TYBSC(CS) |
| | VedantChandhere | TYBCS (CS) |

**Aims & Objectives:**

During the recruitment process, it is important for employers to assess the skills and abilities of candidates because these often reflect their capacity to do the job. Assessing important skills through an **aptitude test** can help highlight exemplary candidates who can really make a valuable contribution to the future.

**Outcome:**

Students will also effectively justify their subject Knowledge through this test. They can take charge of their own learning in the weaker area.

**No. of Students benefitted:**

336 responses are recorded

## Feedback Summary

On 13 th December 2021, Christ College – Department of Computer Science had organized an online 'Coding Aptitude Test' as part of a Department event under the supervision of Ms Petricia and Mr Yogesh. The 45-minute test included a set of 50 random multiple-choice questions based on a variety of questions of ranged difficulty that covered coding topics. The test was useful as it increased my technical knowledge along with logical thinking and understanding.
