Activity Report

General Report :

Voters day, widely known as The National Voters' Day or Matadaata Divas, in India is celebrated on the 25th of January every year to mark the foundation day of the Election Commission of India. The day is dedicated to encouraging and promoting voter education and awareness, highlighting the importance of participating in the democratic process, and recognizing the contributions of election officials and workers. The resource persons for the day were Mr Sangale (Election Officer of Wadagaosheri) and Ms. Vrushali Bhokare (PLO).

The students development office of Christ College Pune in association with the Electoral Literacy club celebrated the Voters day on 25th of January 2023 with a similar aim of creating awareness and promoting the importance of The National Voters day. The main highlights of the event were the orientation program where the resource person explained the importance of the electoral process, voter registration, voting rights and various aspects of the voting process. The program was a great success as it helped in educating the students about the various democratic processes of the Voting system. The orientation program was later followed by an awareness rally conducted by the members of the student council along with the NSS department of the college. The awareness rally was accompanied by students in large numbers. The students marched through the streets holding banners, placards and posters and chanting slogans to spread their message, the students were full of enthusiasm during the entire drive making the rally a great success.

The students walked all the way to Vidyankur school and returned back to college covering a considerable distance in the process. Overall, the rally proved to be a great way to motivate people, particularly the youth of our Country to exercise their right to vote and played a crucial role in encouraging them to become active participants in the democratic process. The Voters Day Event was a successful and collective effort by the college to educate and promote the importance of voting and to remind the people about their duty of participating in the democratic process and upholding the values of democracy, equality and social justice, the students not only gained a deeper understanding of these values but also their duty towards the betterment of the Nation and it is hoped that this will encourage them to become more active and act as a responsible citizen in the future.

A vote of thanks along with a group photo with the principal, teachers, members of the student council and the NSS Representatives holding the banners and posters used in the rally marked the conclusion of the event. In conclusion, the celebration of the Voters Day in our college was a great success and helped the students to learn more about the Voting System and the Voter Rights along with its importance. The events were very well-organised and the participation of the students in large numbers was the evidence of the successful completion of this day.

E-WASTE COLLECTION DRIVE

Date : 23rd - 28th May 2022

Beneficiaries : College Students

As we stand in the midst of extreme environmental and climate deterioration. E-waste hazard is one of the major issues we face in this digital era. Electronic waste or e-waste describes discarded electrical or electronic devices. For example old mobile phones, chargers, laptops keypads, pen drives etc.

To curb this issue the NSS UNIT of Christ College, Pune organised an E-waste awareness drive for a week starting from 23rd of May till 28th of May. All the staff and students were requested to contribute to this drive by bringing any electronic waste and discarding it in e-waste dustbin placed in the lobby area near the college office. This e-waste was then recycled by the Recycling Company (Threco Recycling LLP). A certificate was issued by the company for receiving 318.9 Kgs of E-waste.

Outcomes:

- Students were made aware of the possible hazards of E-waste.
- They were educated about what actually is E-waste and how it can be recycled.

NSS ACTIVITIES 2022-23

AWARENESS DRIVE ON

CHILD RIGHTS & CHILD BEGGARY

Date: 30th April 2022

Beneficiaries: Child Beggars Near Traffic Signals Of Pune City

The Children Act, 1960 Section 42 of the Act says that whoever employs a child for begging or indulges the child into begging or makes him beg will be held liable to imprisonment for a term maximum up to one year or fine or both. India has no federal law on begging and destitution. About 20 states have adopted the Bombay Prevention of Begging Act, 1959, which carries a penalty of detention of three to 10 years in beggar homes.

The NSS Unit organized an awareness drive on 30th April 2022 on Child Rights & Child Beggary in collaboration with Sarva Seva Sangh NGO. The awareness campaign was organized at different signals of Pune city. The volunteers stood at signals raising placards on child rights and child beggary spreading awareness and voicing through their placards. The volunteers counselled the child beggars on the signals and motivated them to go to school and complete education for a better brighter future.

Outcomes:

- Volunteers were able to spread awareness on child beggary among public.
- The child beggars were counselled to stop begging and motivated to go to school.

'NATIONAL WEBINAR ON 'GENDER EQUALITY TODAY FOR A SUSTAINABLE TOMORROW'

DATE : 8th March 2022

Volunteers' Participation: 66

Christ College Pune Internal Quality Assurance Cell in Association with National Service Scheme organized a National Webinar on 8th March 2022, at 12 pm via Google Meet, on the occasion of International Women's Day. The theme was 'Gender Equality Today for a Sustainable Tomorrow'. Ms Ruchira Sawant, the co-founder of MakeShift, Mumbai, Space science Communicator and Educator, was the resource person for the day.

The event started with a welcome address by Ms Lis Maria Saju, NSS Representative, followed by a talk by the speaker Ms Ruchira who began by interacting with the audience, asking various thought-provoking questions. She shared how working as the only woman team member made her realize that equality is not treating the person special but like one among us. During the talk, she shared the importance of bridging the gap between education and design thinking and emphasized three questions to ask ourselves when working on any problem statement. First, ask what are you doing, then find why are you doing it and then seek for whom are you doing it for. The talk came to a close with a round of questions and answers in which the audience actively participated. All positively filled out the feedback forms. The resource person thanked the organizers for arranging the live webinar. The webinar ended with a vote of thanks by Mr Rufus Samuel, IQAC Student Representative. Around 86 participants took part, including faculty members, students and NSS volunteers.

SWACHH BHARAT ABHIYAN

DATE : 16th & 17TH February 2022

DURATION: 4 hours

Volunteers' Participation: 25

NSS unit of Christ College Pune conducted a rigorous cleanliness drive. The Volunteers cleaned the college campus. Cleanliness is next to Godliness. Sticking to this, the Volunteers took over this responsibility of keeping their campus spik and span. For this they made groups among themselves and started cleaning the allotted areas. They picked up wrappers, chalk pieces and swept the floor. It was a good move and helped create awareness among them about the importance of keeping their surroundings clean especially where they spend most of their time in gaining knowledge. This drive motivated other students too and they also joined in the campus cleaning drive.

FINANCIAL SUPPORT TO UNDERPRIVILEGED STUDENTS

DATE: 8th December, 2020 to 5th July 2021

Beneficiary: 45 students

After the outbreak of COVID-19 pandemic, schools across the country shifted to online classes to avoid gatherings in schools. But an underprivileged section of society has not been able to cope up with the expenses of online education. The parents of these economically backward students who were already under debt and struggled through the lockdown were not able to afford online education for their children. With an aim to help the children of such families, the Management of Christ College Pune took an initiative to extend financial help to them. Accordingly, financial help in cash was distributed to 45 students of class VIII – XIV, to meet their expenses for data recharge for their online education classes. Consequently, with this financial support these students belonging mostly to poor and underprivileged families could continue their online studies without any difficulties.

DOOR TO DOOR AWARENESS DRIVE

DATE: 26th February, 2020

DURATION: 3 hours

Beneficiary: local residents

Volunteers' participation: 50

The truest form of serving the society is when there is an effective communication with local people. When an effective communication is established with the local people, they can be made better aware of various responsibilities and other aspects that would help in the nourishment of the society. With the same intention, NSS unit of Christ College, Pune conducted a door to door awareness drive in the locality wherein volunteers reached out to the residents nearby to spread awareness with respect to health, hygiene and cleanliness. NATIONAL GIRL CHILD DAY

DATE: 24th February, 2020

DURATION: 2 hours

Beneficiary: Approx. 50 girls of Maher orphanage

Volunteers' participation: 50

Gender Equality is one of the prominent issues of importance that needs to be taken care of. It exists in several areas including legal rights, education, medical care, marriage etc. The basic objective behind celebrating the National Girl Child Day is to provide support and opportunities to the girls of India. NSS unit of Christ College is also determined to practice gender equality in every aspect. Therefore, the National Girl Child Day was celebrated along with cute little children in the Maher girl's orphanage. The smile on their faces to see volunteers come there for them was truly a very special feeling. The day was celebrated with volunteers singing songs for the girls and distributing sweets. Some girls recited their rhymes for us and that only strengthened the hope of equal education for all. Thus, the National Girl Child Day was happily celebrated with those kids who truly deserve moments of happiness more than anyone else.

Dear Rev. Soni

Greetings and Good Wishes!

Attaining a friendly and green environment has always been a great concern worldwide and research discloses that organic farming can partly offer a solution. Long term studies about organic agricultural practice reveal it can provide an impressive mechanism for promoting ecological harmony, biodiversity, and biological cycles which are vital for environmental sustainability.

To contribute in a small measure towards this cause, The Bishop's School, Camp, has formed the Bishop's Organic Farming Club (BOFC), which is active and has undertaken various projects within the school campus.

We are happy to announce that "THE COCO WEEKEND – a two-day community driven celebration about organic and sustainable lifestyles" in collaboration with the Bishop's Organic Farming Club, is being organized at The Bishop's School, Camp, on Saturday, 30th November and Sunday, 1st December 2019 from 10.30 am to 6.30 pm.

The highlights of the weekend is Panel discussion with experts, workshops and entertainment, the Coco Market and competitions. The keynote address will be given by Dr. Vandana Shiva, an Indian scholar, environmental activist, food sovereignty advocate, and anti-globalization author, on 30th November 2019 at 10.30 am.

We hereby extend our cordial invitation to your students (around 30 junior college students) and staff to attend this weekend programme, which will help to create an awareness about the organic farming and interest to undertake organic agricultural projects.

For further details of the programme, please feel free to contact: Ms. M Hora, Dean, Junior College, The Bishop's School, Pune, Cell No: 9503156953

DATE: 03rd October, 2019

DURATION: 2 hours

Beneficiary: 100

Volunteers' Participation: 50

Blood and blood cells are a very important part of the human body. The transportation of food and other essential nutrients to every part of the body is carried out by the blood. Therefore it is one of the most essential element of the human body. The act of donating blood has been very important in saving a life as per the health sector is concerned. To throw light on the importance of blood stem cell donation and its need and requirement in recent times, a team from Datri, a non-profit organization conducted a workshop in Christ College. This workshop was conducted for the entire college so that every student and staff member can understand the need and importance of Blood Stem Cell Donation. As of now, only 10 million people across the globe have voluntarily donated their blood stem cells out of which only 5.5 lakh people are from India. The session turned out to be quite helpful as around 85 students registered to donate their blood stem cells and even got a test done for further assessment.

DATRI and Christ College to raise awareness of blood diseases in Pune

Christ College in Pune and online blood stem cell donor database DATRI will collaborate to raise awareness of blood disorders such as blood cancers and thalassemia which require blood stem cell transplants.

"There are large [numbers] of patients suffering from blood cancer and thalassemia major among others for which the last resort is blood stem cell transplant," said Christ College coordinator Priya Wahab. "For patients who could not find a match within their family the only hope is registries like DATRI. We will support DATRI to help spread awareness and save lives of many such patients."

DATRI is the country's largest database of blood stem cell donors unrelated to recipients. Since being founded in 2009, it has registered more than four million donors credited with fighting [redacted] lives.

"DATRI is working towards creating a wide and diverse database of potential blood stem cell donors that can be accessed by any patient living anywhere in the world in need of a blood stem cell transplant," the organisation explains on its website. At the time it was founded, "it was almost impossible to find an unrelated donor for patients of Indian origin."

"We will support the cause by conducting awareness for all students in every department," said Christ College principal Sony Chundattu. "The college will be doing multiple public drives and events like walkathons and marathons on important days to create awareness."

In India, blood disorders carry a huge toll. The country is home to the third largest number of haematological cancer cases in the world, those being cancers which affect the blood, bone marrow and lymph nodes. It also has a sizeable burden of thalassemia, to the extent it is regarded as the world's capital for the disease. More than forty million Indians test positive for thalassemia, of whom more than 100,000 die before the age of twenty. As such, efforts to raise awareness of the importance of blood stem cell transplants are welcome for the millions affected by them and their families.

"It is sad that even after every donor is being made aware the he or she would be the last hope of cure to a patient if found a match, there are still around forty percent back-outs from volunteer donors," said Wahab. "While for a patient that donor could be the only person in the world who could save his/her life. There is a dire need to spread awareness which will help save lives of thousands of patients."

PUNE: Christ College in Pune has signed up a memorandum of understanding (MoU) with Dats, a blood stem cell donor registry, to work towards sensitising students about blood cancer and thalassemia.

"We will support the cause by conducting awareness for all students in every department. The college will be doing multiple public drives and events like walkathons and marathons on important days to create awareness," said Sony Chanchalu, principal of Christ College.

Priya Mamidi, coordinator, Christ College said, "There are large number of patients suffering from blood cancer and thalassemia major among others for which the last resort is blood stem cell transplant. For patients who could not find a match within their family the only hope is registries like Dats. We will support Dats to help spread awareness and save lives of many such patients."

Currently a total 4,15,000 donors are registered with Dats as potential blood stem cell donors from Pune. These numbers are very less as compared to other cities in the country. "The drive will cells for more awareness in the state about the importance of saving lives through blood stem cell donation for blood cancer patients," Mahabal said.

"It is said that even after every donor is being made aware that he or she would be the last hope of cure to a patient if found a match, there are still around 40% back-outs from volunteer donors. While for a patient that donor could be the only person in the world who could save his/her life. There is a dire need to spread awareness which will help save lives of thousands of patients," she said.

Typically, patients would first try to find a match within their family and there are 25% chances to find a match among family members. Else, they have to look out for a perfect match from a registry like Dats. As of today, the probability of finding a matched donor is only 1 in 10000 to a little over a million, as the total number of volunteer donors has stayed at a very low

GANDHI JAYANTI- CLEANLINESS DRIVE

DATE: 02nd October, 2019

DURATION: 3 hours

Beneficiary: Local public residing near Mulamutha river bank

Volunteers' Participation: 25

02nd October 2019 marked a special occasion as it was the 150th anniversary of the Father of the Nation, Mahatma Gandhi. The principles and value put forth by Gandhiji has been variedly accepted and acknowledged in India as well as across the Globe. NSS too tries to incorporate these values and principles put forth by Gandhiji into its activities. Gandhiji always stressed upon the need and importance of a clean atmosphere and society. Following the similar principle, an NSS activity of a cleanliness drive was conducted throughout the city. Every college was given an area of the city wherein a cleanliness drive could be carried out. Christ College too participated in this drive and was allotted the Yerwada bridge and surrounding places. Volunteers went under the bridge on the banks of the river Mula – Mutha to clean the area. Lots of plastic and garbage was collected by volunteers and accumulated at one place so that it could be picked up easily. The activity indeed turned out to be successful as the officials were quite satisfied with the work of the volunteers.

PMI PUNE HALF MARATHON

 # You are Not Alone

DATE : 13th January, 2019

DURATION: 7 hours

Beneficiaries : Approx. 300 Prisoners

Volunteers' Participation: 9

Run for a Unique Cause… with this aim the NSS Unit of Christ College joined hands with Loyola High School, Prison Ministry India and blueBrigade Running Club to organize Half Marathon at Pashan. The proceeds of PMI Half Marathon were earmarked for the construction of a Rehabilitation Centre in Karjat for released prisoners and their families. There are lakhs of prisoners serving their terms in various prisons across India. It is disheartening fact that their families also have to live with this stigma and post completion of their prison, term they are not accepted back in the mainstream community. As a response to this apathy, to raise funds for them, the marathon was organized. Around nine volunteers participated and contributed for this noble cause.

HUM SWACHH TOH BHARAT SWACHH

PUBLIC AWARENESS DRIVE

DATE: 26th September, 2018

DURATION: 6 hours

Beneficiaries: Approx. 30 – 45 Houses

Volunteers' Participation: 50

"A clean India would be the best tribute India could pay to Mahatma Gandhi on his 149th birth anniversary in 2018". With this aim NSS volunteers initiated with public awareness drive 'Hum Swachh Toh Bharat Swachh' at wadgaoansheri. We spend a lot of time and effort to keep our own houses clean and hygienic, we fail to keep our surroundings and neighborhoods clean. More often than not, we end up disposing the garbage from our homes, religious places, shops, premises onto the streets, parks, drain, roads, etc. outside our homes/offices/institutions/temples etc. We litter in public places while keeping our homes clean. In the process, we fail to realize the risk we are posing to our own health by adopting these harmful practices.

The NSS Volunteers carried out behavior change interventions through intensive inter-personal communications and door to door drives in local areas, especially towards source segregation of waste, recycling and reusing dry waste, etc.

PLANTATION AT BAKORI VILLAGE

DATE: 15th September, 2018

DURATION: 6 hours

Beneficiary: Bakori Village

Volunteers' Participation: 50

No. of Saplings: 20

Plantation drive initiated in Bakori, the adopted village of Christ College, with the aim to make the village greener. The volunteers took this initiative to plant saplings of shady trees like Neem, Peepal, Gulmohar, Mango, Guava etc. They first identified the place where they need to plant and then started digging pits for planting the saplings. The tedious job of digging was done enthusiastically by the students who then one by one planted and watered the saplings. In order to restore the eco- balance of the afforestation drive was taken with all seriousness. Volunteers were highly enthusiastic to make it a big success. The program created a great stir among the general public too. The volunteers enjoyed doing the task and got a feeling of satisfaction of belonging to the race of people who think about mother earth positively.
