CHRIST COLLEGE - PUNE

REPORT

FACULTY DEVELOPMENT PROGRAMME

27th June – 2nd July 2022

Topic: Dodge the Desk-Reject: Prowess of Research Writing

Resource Person: Dr. Benny J Godwin

Report

Christ College-Pune organized a 15 hrs Faculty Development Programme as an IQAC initiative, from 27th June to 2nd July 2022. The FDP aimed to provide hands on training on academic research writing. The purpose of this intensive 15-hour FDP was to comprehensively discuss the possible reasons for Desk-Reject and strategies to dodge the same. The training programme was designed for aspiring and pursuing scholars and academic researchers who wish to develop their writing skills. It also focussed on article formatting & referencing guidelines.

The inauguration of the Faculty Development Programme was done on 27th June 2022 by the Director of Christ College, Dr (Fr) Arun Antony Chully CMI and the resource person of the FDP, Dr Benny J. Godwin, Associate Professor of Marketing at the School of Business and Management from CHRIST (Deemed to be University) Lavasa Campus, Pune. The FDP was divided into various sessions conducted in offline mode. The sessions covered the following topics:

1) Targeting appropriate journals – Scopus & ABDC
2) Art of writing – Paraphrasing & Summarizing
3) Searching the right way – ProQuest Application
4) Strategical usage of references – APA guidelines
5) Imperative Introduction – Conceptual Framework
6) Mandated 'Research Methods' subsections – Design & Technique
7) Standardized Instrument Search – Questionnaire
8) Making a long-lasting last impression – Conclusion
9) Title Tactics & Abstract – Inducement to read
10) Submitting to the selected journal & clearing the desk!

Expected outcomes for participants:

After the workshop participants will be able to:

a) Avoid desk reject
b) Select appropriate journals to submit your work
c) Obviate accidental and deliberate plagiarism
d) Search relevant literature in your domain
e) Understand the art of citations
f) Manage the magic of 'Research Methods'
g) Adopt standardized instruments
h) Publish your work in top tier journals

The Faculty Development Programme ended with the valedictory function where Dr (Fr) Arun Antony Chully CMI congratulated the participants and encouraged all the faculty members to indulge in writing quality research papers. MSc. Computer Science Coordinator Ms Priti Khandve and Ms Meya Simon from Management department shared their valuable feedback on the FDP. The feedback was also collected online. The response about the relevance of the FDP and feedback of the Resource Person was positively overwhelming.

About FDP

The Faculty Development Programme aims to provide hands on training on academic research writing. The purpose of this intensive 15-hour workshop is to comprehensively discuss the possible reasons for Desk-Reject and strategies to dodge the same. The training programme is designed for aspiring and pursuing scholars and academic researchers who wish to develop their writing skills. It will also focus on article formatting & referencing guidelines.

Scope and Approach

The programme seeks to familiarize participants with the various stages associated with drafting a research paper. The programme will be covering the following topics:

1)Targeting appropriate journals - Scopus & ABDC
2)Art of writing - Paraphrasing & Summarizing
3) Searching the right way - ProQuest Application
4) Strategical usage of references - APA guidelines
5) Imperative Introduction - Conceptual Framework
6) Mandated 'Research Methods' subsections - Design & Technique
7) Standardized Instrument Search - Questionnaire
8) Making a long-lasting last impression - Conclusion
9) Title Tactics & Abstract - Inducement to read
10) Submitting to the selected journal & clearing the desk!

About Us

Christ College-Pune affiliated to Savitribai Phule Pune University established by the CMI congregation in the year 2007, is a Christian minority institution managed by Carmel Vidya Bhavan Trust. Inspired by the vision of St. Kuriakose Elias Chavara, the college upholds the motto Enlighten to Excel. A sister concern of Christ University, Bengaluru, the college is accredited by NAAC with B+ grade and is ISO Certified. In a highly systematic and disciplined atmosphere with state-of-the-art technology and facilities, the college revolutionizes education by creating and providing opportunities for students to explore themselves and nurture champions of intellectual brilliance.

Activity Report

Type of Activity: Quality Improvement Program for Teachers

Activity Name: Adaptive for Future

Date of the Activity: 16 July 2022

Resource Person: Mr. Clifford Mohan Pai

Activity Co-Coordinator: Mrs. Deepa Sujith

General Report:

Faculty Development Programme session titled "Adaptive for Future" was conducted on 16th July, 2022 at the Christ College – SMART Room. The objective of the session was to equip faculties with the necessary knowledge to prepare themselves for the future and thrive in an ever-changing world. The session aimed to explore emerging trends, technologies, and strategies in the Corporate Sector that can help educators stay relevant and adapt to the evolving needs of students and the workforce.

Aims & Objectives:

1. To understand the current trends in the Corporate Sector.
2. Developing a Growth Mindset.
3. To comprehend the future requirements in order to mold the students to become future ready.

Learning Outcome:

1. The session helped gain insights on the new corporate trends, especially the practices seen in corporate sector post the Covid pandemic.
2. Importance of Digital Transformation and Integration of new tools.
3. Need and importance to adapt to change in order to stay relevant.

No. of participants benefitted: 30

About the Resource Person

Mr. Clifford Mohan Pai
ACC, GPHR

Session Agenda:

1. Introduction and Welcome: The session began with a warm welcome and introduction of the facilitators and participants. The facilitators provided an overview of the session's

objectives and emphasized the importance of being future-ready in the context of education.

2. Understanding Future Trends: The first segment focused on discussing current and anticipated future trends that will impact various industries and educational practices. The facilitators highlighted the importance of keeping abreast of technological advancements, changing demographics, globalization, and environmental factors. The participants engaged in interactive discussions and shared their perspectives on the subject.

3. Digital Literacy and Technology Integration: The session delved into the realm of digital literacy and the integration of technology in education. The facilitators discussed the importance of digital skills and how they can enhance teaching and learning experiences.

4. Critical Thinking and Problem Solving: This segment focused on the development of critical thinking and problem-solving skills, which are essential for future readiness. The facilitators explored various strategies, such as inquiry-based learning, project-based learning, and case studies, to foster critical thinking abilities among students. The participants actively participated in group activities and brainstorming sessions to apply these strategies.

5. Q&A Session: The session concluded with an interactive Q&A session where the facilitators addressed the questions raised by the faculty members and clarified their doubts. The facilitators highlighted the need to embrace change in order to become future ready. The participants actively engaged in the discussions.

6. Vote of Thanks: The session winded up by giving and vote of thanks and momento to the facilitator. The session received a positive feedback from the participants.

Activity Report

Type of Activity: Quality Improvement Program for Teachers
Activity Name: hands on training on Python

Date of the Activity: 18 & 19 july 2022

Resource Person: Mr. Kunal Pagaria

Activity Co-Coordinator: Mrs. Deepa Sijith

Activity Report

About the Activity

General Report:

A Quality improvement program was held on 18th and 19th July, 2022, at 10:00 AM to 5 p.m. for the teachers of Department of Management – BCA faculties along with Department of Science. Mr. Kunal gave the teachers a lot of knowledge and information on what python programing is, how it can be used and how it works in the field of Computer science.

The two topics that were spoken about at the lecture were:

1) INTRODUCTION python programing
2) HOW python programing WORKS?

In the introduction, the teachers got a brief sense of what python programing actually is, and that "A python programing is a distributed software network that functions both as a digital ledger and a mechanism enabling the secure transfer of assets without an intermediary".

About how python programing works, the teachers experienced a good flow of knowledge where they got a sense of understanding that, a python programing.

Aims & Objectives:

1. To learn what python programing is and how it works.
2. To get a sense of understanding on how to implement python programing in the different fields of science and technology.
3. To increase problem-solving skills and solve complex problems.

Learning Outcome:

1. Gained the knowledge of python programing implementation and why is it necessary.
2. Got insights on how complex problems can be solved through python programing
3. Development of analytical and technical skills

No. of teachers benefitted: 04

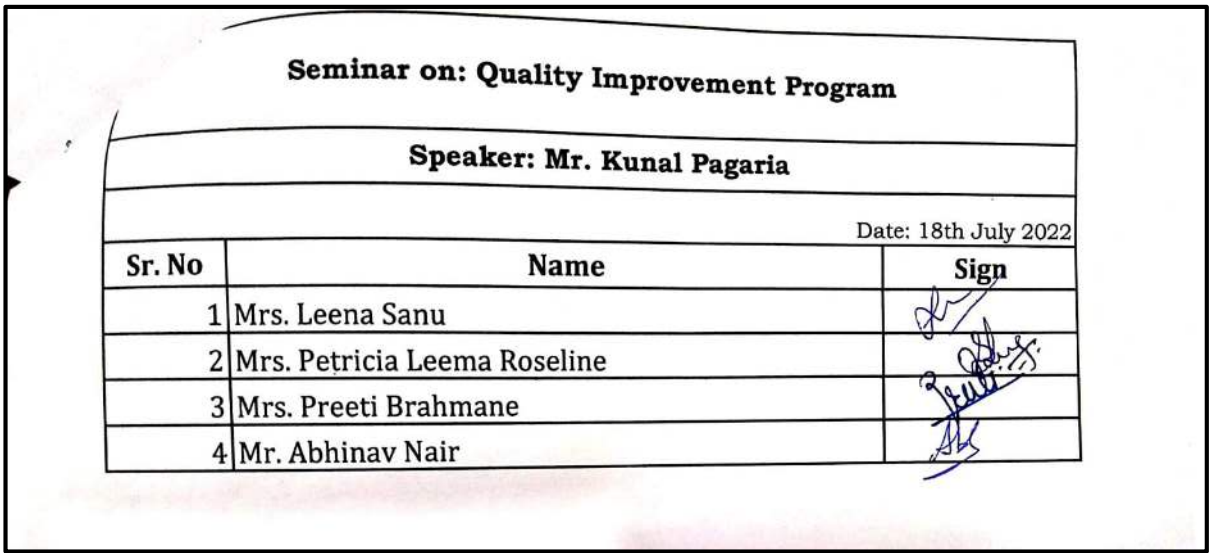

About the Resource Person

Mr. Kunal Pagaria is a software developer completed his heigher studies in computer science from sir parshurambhau college, Sadashiv peth pune, he is currently working as a Software ingeneer. Kunal has more than 10 years of experience as a software developer and his area of interest is python programming.

IQAC

Activity Report

Type of Activity: Faculty Induction Program

Topic: Welcome Onboard

Date of the Activity: 23 August, 2022

Activity Co-Ordinator: Ms. Leena Sanu

General Report

The Faculty Induction Program at Christ College - Pune is a comprehensive and structured initiative aimed at onboarding new faculty members and providing them with the necessary resources, support, and guidance to excel in their roles.

Objectives:

The primary objectives of the Faculty Induction Program are as follows:

1. **Orientation:** To familiarize new faculty members with our institution's culture, policies, and procedures.
2. **Pedagogical Training:** To enhance teaching skills, curriculum development, and assessment strategies.
3. **Research Support:** To provide resources and mentorship to support research and scholarship activities.

d. **Professional Development:** To offer opportunities for growth, networking, and advancement within academia.

Learning Outcomes:

The Faculty Induction Program has achieved the following outcomes:

a. Increased faculty satisfaction and engagement.

b. Enhanced teaching quality and student learning experiences.

c. Improved research productivity and collaboration.

d. Higher retention rates among new faculty members.

Participants: 30

Session 1: Director's Address

The Faculty Induction Program at commenced with an inspiring and informative address by our esteemed Director, [Director's Name]. The Director's speech served as a motivating and insightful start to the program, setting the tone for the induction of our new faculty members.

Key Points and Highlights:

1. Welcome to new faculties
2. Vision and Mission of the Institution
3. Significance of Faculty member
4. Administrational responsibilities

Session 2: Dr. Jiji Johnson

Methodology of Assessments in CBSC Pattern as per SPPU guidelines

The College Exam Officer, Dr. Jiji Johnson, delivered an informative and engaging session to new faculty members. The session focused on the methodology of assessment in the CBSE (Central Board of Secondary Education) pattern as applied within Pune University.

Sessions Highlights:

1. **Introduction to the Examination Cell of Christ College – Pune.**

CEO introduced all the members of the exam cell and also mentioned the purpose and intention behind the cell.

2. **Overview of CBSE Pattern:**

The session commenced with an overview of the CBSE pattern and its significance within Pune University. She explained that this pattern is widely adopted in schools and colleges, and understanding its assessment methodology is essential for effective teaching.

3. **Assessment Components:**

CEO elaborated on the various components of assessment in the CBSE pattern (Internal and External), which typically include periodic tests, assignments, projects, practicals, and final examinations. They emphasized the need to balance formative and summative assessments.

4. **Grading System:**

The session delved into the grading system used in CBSE assessments, explaining the grading scale for evaluating student performance. The importance of providing constructive feedback to students was highlighted.

5. **Continuous Assessment:**

CEO stressed the concept of continuous assessment, where students are assessed throughout the academic year rather than relying solely on final examinations. The benefits of this approach, such as reducing exam stress and promoting a deeper understanding of subjects, were discussed.

6. **Examination Formalities:**

Examination form details were explained. The procedure for application was briefly explained. Roles and responsibilities of faculties during examinations and post exams were explained. Exam evaluation and grading details were explained and the University procedures were introduced as well.

7. **Resources and Support:**

CEO informed the attendees about available resources and support systems within the institution to help faculty members implement effective assessment practices. They encouraged faculty to seek guidance when needed.

Session 3: Mrs. Deepa Sujith

Establishment of Quality Culture, an Essential Prerequisite for HEIS (A NAAC Perspective)

The Faculty Induction Program included a session focused on the critical theme of "Establishment of Quality Culture in Higher Education Institutions" by the HOD of Department of Management - Mrs. Deepa Sujith. The session provided an overview of the key insights and discussions from the session, which was aimed at acquainting new faculty members with the significance of quality culture in academia.

The session commenced by addressing the challenges faced by the Higher Education Institutions. Following were the session highlights and key notes:

1. **NAAC**

The National Assessment and Accreditation Council (NAAC) was introduced to the faculties. Its origin and need in an institution was briefly and concisely explained. Vision, Mission and Core-values of the same were explained in detail.

2. **NAAC Process**

NAAC process followed was briefly explained to all the faculties. Each step followed by the Council was explained.

The journey of the institution through the process and its current status was also shared with the faculties.

3. **IQAC & Importance of Quality Culture:**

Internal Quality Assurance Cell (IQAC) was introduced. The structure of the cell and the roles and responsibilities were also shared. The emphasis was placed on the importance of a quality culture in higher education. It was stated that a strong quality culture enhances the institution's reputation, attracts talented students and faculty, and ensures that graduates are well-prepared for the challenges of the modern world.

4. **NAAC Criteria:**

NAAC criteria with its roles and functions and purpose were briefly explained. The grading aspect for each were also explained to all the faculties.

5. **Importance of Quality Culture:**

Emphasis was placed on the importance of a quality culture in higher education. It was stated that a strong quality culture enhances the institution's reputation, attracts talented students and faculty, and ensures that graduates are well-prepared for the challenges of the modern world.

Session 3: Mrs. Nilima Gaikwad

Inventing New Teaching Methods (Through Digital Tools)

Mrs. Nilima Gaikwad – HOD of Department of Science conducted a session to introduce new faculty members to innovative teaching methods using digital tools and technologies, fostering engagement and effective learning in today's educational landscape.

1: The Changing Landscape of Education

- Understanding the evolving needs of today's learners.
- The role of technology in modern education.
- The need for innovative teaching methods.

2: Exploring Digital Tools

- Introduction to a variety of digital tools and platforms for teaching.
- Showcase of tools for interactive lessons, content creation, and collaboration.
- Discussion on how these tools can enhance the learning experience.

3: Hands-On Workshop

- Faculty members will have the opportunity to explore and experiment with digital tools.
- Guided exercises and activities to create sample digital content.
- Encouraging creativity and innovation in teaching methods.

4: Best Practices and Case Studies

- Highlighting successful case studies of educators using digital tools effectively.
- Sharing best practices for integrating technology into teaching.
- Addressing common challenges and solutions.

5: Designing Your Digital-Enhanced Course

- Encouraging faculty members to envision how they can apply digital tools to their specific courses.
- Setting goals for incorporating technology into their teaching.
- Discussing potential projects and ideas.

Q&A and Discussion:

- Open floor for questions, comments, and sharing experiences.
- Facilitating discussions on potential challenges and solutions.

Session 4: Mr. Biju Sebastian

Skills and Potentials of Competent Teaching and Effective Mentoring

This session was designed by the HOD of Department of Arts – Mr. Biju Sebastian to provide new faculty members with insights into the essential skills and potentials required for competent teaching and effective mentoring in higher education. It aims to equip faculty with the knowledge and strategies to excel in their teaching roles and become valuable mentors to students.

Highlights:

1. Understanding Competent Teaching

- Defining competent teaching in higher education.
- Key qualities and attributes of effective educators.
- Importance of student-centered teaching approaches.

2. Essential Teaching Skills

- Effective communication skills.

- Classroom management techniques.
- Utilizing technology for enhanced learning.
- Adaptability and flexibility in teaching.

3. Effective Mentoring in Academia

- What is mentoring in the academic context?
- The role of mentors in student development.
- Benefits of effective mentoring for both faculty and students.

4. Mentoring Skills and Strategies

- Active listening and communication in mentoring relationships.
- Setting clear expectations and goals for mentees.
- Providing constructive feedback.
- Addressing challenges and conflicts in mentoring.

5. Q&A and Discussion

- An opportunity for participants to ask questions and engage in open discussion with the facilitator.

Session 5: Valedictory

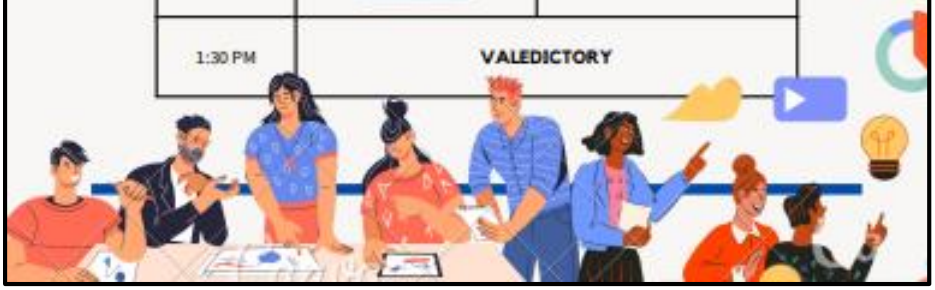

The valedictory ceremony of the Faculty Induction Program marked the conclusion of an enriching and comprehensive orientation program for our new faculty members. The ceremony served as an opportunity to celebrate their successful completion of the program and to provide them with inspiration and encouragement as they embark on their academic journeys.

CHRIST COLLEGE – PUNE

Academic Year: 2022-2023

FDP Session Report

Type of Program: Faculty Development Program

Topic: Empowering towards Excellence: New Age Teaching – Learning Strategies and Approaches

(*An IQAC Initiative*)

Date of the Activity: 24 August 2022 – 27 August 2022

Session Report

About the Activity

General Report:

Faculty Development Program titled ": Empowering towards Excellence: New Age Teaching – Learning Strategies and Approaches" was conducted from 24th August 2022 to 27th August 2022 at the Christ College. The FDP focused on enhancing the teaching methodologies, research capabilities, and professional development of the faculty members. The program aimed to empower the faculty to deliver quality education and promote overall academic excellence.

Aims & Objectives:

1. To update faculty members with the latest trends and advancements in their respective fields.
2. To foster a collaborative learning environment and exchange best practices among the faculty.
3. To strengthen research skills and encourage publication in reputed journals.
4. To enhance the use of technology in teaching and learning processes.
5. To promote effective communication and soft skills among faculty members.

Learning Outcomes:

1. Increased awareness of modern teaching techniques and their successful implementation in classrooms.
2. Enhanced research capabilities leading to an increase in research publications and collaborations.
3. Improved utilization of technology to create engaging and interactive learning experiences.
4. Strengthened inter-departmental collaboration, fostering a sense of community among faculty members.
5. Positive impact on faculty-student interactions, resulting in better student engagement and academic performance.
6. Uplifted soft skills, leading to effective communication and improved professional relationships.

Number of Participants: 30 teaching staff.

Day 1

About the Resource Persons:

1. **Rev. Dr. Fr. Arun Anthony CMI**

Rev. Dr. Fr Arun Antony CMI is a Ph.D holder in management from Bharathiyar university Coimbatore. Completed his MBA and M.Phil. from Christ University, Bangalore. He had been associated with Christ University since its inception in 2008 in various capacities. A core academician and has a vast professional experience and has carried out various research projects and conducted enormous national and international seminars to his credit.

2. **Mr. Kapil Tiwari**

Mr. Kapil Tiwari is working with Amazon as Software Developer. An industrial expert specializing making people future ready.

Session Agenda:

Session 1: ***Outcome Based Education-its need and importance in the modern educational set up.***

Understanding OBE

In this session, participants were introduced to the core principles and components of Outcome-Based Education. The discussion included the importance of defining clear learning outcomes, aligning curriculum with outcomes, and the role of assessment in OBE.

Need for OBE

The second session delved into the evolving landscape of education and how OBE addresses the changing needs of students and employers. The session emphasized the role of OBE in producing job-ready graduates with the skills and competencies required in the 21st century.

Importance of OBE

During this session, participants engaged in interactive discussions on the significance of OBE in improving teaching and learning processes. The session explored how OBE enhances program quality, promotes student-centered learning, and fosters continuous improvement.

Implementing OBE

The final session focused on practical strategies for implementing OBE in classrooms and institutions. Participants learned about designing effective learning outcomes, developing assessment methods aligned with outcomes, and collecting and analyzing data for program improvement.

Session 2: ***Role of faculty in bridging the gap between Industry and Academia***

Session 1: Understanding the Gap

This session commenced with a comprehensive overview of the existing gap between what academia provides and what the industry demands. Participants engaged in discussions and reviewed relevant case studies to gain insights into the challenges and opportunities this gap presents.

Session 2: Faculty as Catalysts

In this session, the pivotal role of faculty members in initiating and nurturing collaborations between academia and industry was discussed. The importance of faculty acting as catalysts for change and innovation was emphasized, along with the benefits of such collaborations for students, institutions, and industry partners.

Session 3: Curriculum Enhancement

Faculty members learned about strategies for enhancing academic curriculum to include industry-relevant content and skills. This session included discussions on curriculum design, the integration of practical industry experiences, and the importance of staying updated with industry trends.

Session 4: Industry Engagement

Participants explored ways to actively engage with industry partners, including organizing workshops, seminars, internships, and guest lectures. Real-world examples of successful collaborations between faculty and industry were shared to inspire and guide the participants.

Day 2 & 3

About the Resource Person:

Dr. Jibrael Jose

Dr. Jibrael Jos has achieved several accolades and milestones in his career. He has completed projects in India, United Kingdom and USA (Finance and Transportation Domain expertise). He is also a certified project management professional. His specialities spread over a wide horizon of subject areas including Business Intelligence/ Data Warehousing, Master Data Management and Data Reconciliation. Moreover he is an excellent motivator and also has an amazing artistic side.

Session Agenda:

Session: ***Activity based approach for quality teaching and enhanced learning***

Developing Innovative Teaching Techniques:

Faculty members were divided into teams to collaborate on developing a chart outlininginnovative methods for successful teaching techniques. These teams brainstormed and exchanged ideas on leveraging AI, technology, and pedagogical approaches to enhance teachingand learning experiences. The goal was to identify novel approaches that integrated AI while focusing on student engagement, personalized instruction, and academic success.

Presenting Ideas Narratively:

To promote effective communication and knowledge sharing, each team was tasked with presenting their ideas in a narrative format. Faculty members were encouraged to showcase theircreativity in presenting their innovative teaching techniques. This activity aimed to improve storytelling skills and enhance the ability to communicate complex ideas in an engaging andcoherent manner.

Review of Learning and its Different Forms:

At the beginning of the class, a comprehensive review of learning and its various forms wasconducted. Faculty members explored different learning theories, including behavioral, cognitive, connectivist, humanist, constructivist, and social cognitive approaches. This reviewprovided a foundation for understanding the diverse perspectives on how learners acquire knowledge and skills.

Real-World Teaching Examples:

The resource person shared real-world teaching examples to illustrate the practical application ofpsychology in education. These examples helped faculty members grasp the psychology behind effective teaching strategies and their impact on student learning outcomes. By showcasing real-life scenarios, the resource person facilitated a deeper understanding of the psychologicalprinciples in educational contexts.

Ice-Breaking Exercises:

Ice-breaking exercises were conducted to foster team development, group dynamics, time management, inventive thinking, and improvisational abilities. These activities aimed to create apositive and inclusive learning environment, enabling participants to establish connections, collaborate, and develop essential skills for effective teamwork and problem-solving.

Knowledge Sharing among Senior and Junior Faculty Members:

The program provided an opportunity for senior faculty members to share their expertise withjunior faculty

members. Through interactive sessions, senior faculty members imparted their wisdom, insights, and best practices to junior colleagues. This knowledge-sharing approach aimed to combine the experience and expertise of senior faculty members with the fresh perspectives and enthusiasm of new talent, fostering a collaborative learning environment.

Role-Play for Classroom Revitalization:

Role-play activities were utilized to revitalize the classroom environment and provide new faculty members with an immersive and practical learning opportunity. Participants engaged insimulated teaching scenarios, allowing them to practice and refine their teaching skills in a safe and supportive educational setting. Role-play facilitated the application of theoretical knowledgeinto practice, encouraging effective instructional strategies and classroom management techniques.

Day 4

About the Resource Person:

Mr. Joy George

Mr. Joy George. As the Senior Director and Head of HR at CDK Global, India. With over 20 years of comprehensive experience in HR, Mr. Joy George has traversed the far reaches of the world, successfully partnering with businesses across India, UK, US, and APAC regions. He has been a driving force behind all aspects of employee life cycle management, adeptly handling recruitment and resourcing, learning and development, compensation and benefits, employee engagement and communication, as well as legal and statutory compliance. He has spent more than 13 years in HR senior leadership roles, commanding respect and admiration from his peers and subordinates alike. Throughout his illustrious career, Mr. George has been at the forefront of hiring top talent across various domains, from IT and Engineering industries to the vibrant world of start-ups. His extensive experience in large and volume recruitments, including IT products and services, SAP across modules, and Engineering (CAD & CAE), has been a driving force behind many successful ventures.

Beyond his professional accomplishments, Mr. Joy George is a dynamic trainer and coach, empowering individuals with behavioral skills that embrace discerning leadership, personal effectiveness, powerful communication, and team building. His self-starter attitude, combined with exceptional leadership qualities, interpersonal skills, and a genuine focus on people, have earned him immense respect and credibility in the industry.

Session Agenda:

1. **Welcome and Introduction:**

The session began with a warm welcome and introduction of the facilitator, participants, and the session objectives.

2. **Understanding the Corporate World:**

The facilitator provided insights into the evolving nature of the corporate world, emphasizing the importance of skills such as adaptability, critical thinking, and effective communication.

3. **Role of Higher Education Institutions:**

This segment focused on the key responsibilities of higher education institutions in preparing students for the corporate environment. Discussion points included curriculum design, practical exposure, internships, and soft skill development.

4. **Best Practices and Case Studies:**

Participants shared their experiences and discussed successful strategies employed by their respective institutions to produce corporate-ready graduates. Case studies were presented to highlight effective approaches.

5. **Breakout Sessions:**

Participants were divided into small groups to brainstorm ideas and solutions for improving corporate readiness in higher education.

6. **Feedback and Q&A:**

The session concluded with a feedback session where participants shared their thoughts and suggestions. The facilitator also addressed any questions or concerns raised by the participants.

AVISHKAR EXPO-2022 -RESEARCH & INNOVATION -PROJECT COMPETITION

Report

AVISHKAR, an inter-university research project competition was organized by the Research Cell of Christ College Pune as per the guidelines given by Savitribai Phule Pune University. Orientation workshop 'Avishkar 2022-23 workshop for Academic and Research Coordinator

ARC' was attended by Dr Priya Wahab, ARC, Christ College Pune at Shri. Tikaram Jaganath Arts & Commerce College, Khadki on 21st July2022. As per the university circular, the exhibition was conducted at college level. Expert teachers were provided to students stream-wise to guide the students. 81 participants registered and 56 students participated in the exhibition. The inauguration was done by the Manager Rev. Fr Joy Puthussery CMI and the Principal Dr (Fr) Arun Antony Chully CMI. The students actively and enthusiastically participated and presented their papers. The winners of all 6 categories were referred to further participate for next level subjected to their selection at higher level. List of 23 participants was sent to affiliated university.

About AVISHKAR

AVISHKAR aimed to inculcate research culture and scientific temper among students, scholars and teachers. It was a platform for students to learn, innovate and showcase their knowledge and ideas. This research project competition is held at different stages from College level to Zonal/District – University – State – National level. Prize money/Fellowships/ Scholarships are awarded to winners from university level onwards. The Winners in various categories at College level will be competing at next level as per Savitribai Phule Pune University format.

Aims & Objectives:

- To inculcate research culture among students.
- To engage students in creative & analytical thinking.
- To provide an opportunity and a platform for expression of academic talent.
- To felicitate and recognize student's achievements by offering awards and honors.
- To promote interaction among academia, R & D Institutes and Industries.

Learning Outcomes:

- Participants were able to inculcate research skills through active participation.
- Students were engaged in critical thinking and developed analytical skills through the research poster exhibition. They could present their views creatively through digital posters.
- Students were encouraged to participate by providing them expert teacher animators. The guidance molded the students to present their research posters in a more logical and systematic way.
- Avishkar Expo provided the participant a platform and an opportunity to display their talents. All the participants and Animators were awarded certificate of participation.
- The Expo facilitated students to identify the gap between academics and research. It opened new avenues of learning and building career.

No. of participants benefitted: 56

Guidelines for Participants:

1. Research project should be based on an innovative idea/new concept/system design/problem solving.
2. The project idea should be practically applicable in real world scenarios.
3. Projects can be chosen by candidates from the given six categories irrespectiveof the discipline to which they belong:
    i. Humanities, Languages, Fine Arts etc.
    ii. Commerce, Management, Law

Academic Year: 2022 - 2023

IQAC

Activity Report

Type of Activity:
Orientation Program and Inauguration of Academic Year 2022-23

Activity Name: Odessey' 22

Date of the Activity: 29th September 2022

General Report

On 29th September 2022, Christ College, Pune, hosted its Orientation and Induction Day for the incoming batch of first-year students. The purpose of this event was to welcome and acclimate the new students to the college environment, introduce them to college policies and resources, and create a sense of belonging within the Christ College community.

Aims & Objectives:

1. To facilitate a smooth transition.
2. Create sense of belongingness.
3. To provide essential information about the Institution.

Session Agenda:

ODYSSEY-Orientation Program and Inauguration for the Academic Year 2022-2023 was held on 29th September at 9:00 am for the Department of Arts, Science and Commerce and at 11:00 for the Department of Management.

Introduction:

The orientation program began with a prayer dance and followed by the lighting of the lamp and prayer service. The management of Christ College along with the guest of honor Mr. Benoy Mecheriyal- General Manager- Insurance Services lighted the lamp. The prayer service included readings from Holy Scriptures and Intercessory Prayers.

Introduction to College Values and Culture:

Directors Address

Director Dr. Fr. Arun provided an overview of Christ College's core values, academic culture, and the importance of ethics and integrity. The presentation emphasized the role of students in upholding these values.

College PPT

College PPT was presented to the students and parents by the Department Heads.

Chief Guests Address:

Mr. Benoy shared insights into their personal journey, highlighting key milestones, challenges faced, and achievements. They emphasized the importance of resilience, perseverance, and a strong work ethic in achieving one's goals.

Introduction to Christ College Culture and guidelines:

Co-ordinator for the department, presented to the audience the Christ College culture and general guidelines. The presentation focused on introducing Christ College, its Vision, Mission, core values and general guidelines. The general guidelines mainly focused on points like- attendance, dress code,discipline, etc.

Vote of Thanks:

The host concluded their address by expressing their belief in the potential of the incoming students. The program concluded with vote of thanks and National Anthem.

Photographs

Activity Report

Type of Activity: Seminar

Topic: Quality Assurance and its Importance

Date of the Activity: 04 October, 2022

Resource Person: Dr. Jose John CMI

Activity Co-Ordinator: Mrs. Deepa Sujith

Activity Report

On 04 October 2022, Dr. Jose John CMI, the Principal of Scared Heart College, Thevara delivered an enlightening and thought-provoking session on "Quality Assurance and Its Importance" to the faculties of Christ College - Pune. The session aimed to provide insights into the significance of quality assurance in higher education and its role in fostering excellence.

Aims and Objectives:

1. To promote awareness of about significance of Quality Assurance
2. To foster a Quality Culture
3. To encourage continuous improvement
4. To orient on the Quality assurance process.

Learning Outcomes:

1. Understanding and gaining knowledge of Quality Assurance
2. Alignment with Institutional Goals
3. Practical application of Quality Assurance principles within one's on academic roles and Departments.

Number of Participants: 30 participants

Session Agenda:

1. **Defining Quality Assurance (QA):**

   The session began by defining quality assurance in the context of higher education. QA was described as a systematic process that ensures educational institutions maintain and improve the quality of their programs, services, and outcomes.

2. **Importance of Quality Assurance:**

   Session emphasized the critical role of quality assurance in higher education institutions. They highlighted that QA is essential for:

   - Meeting accreditation and regulatory requirements.
   - Enhancing institutional reputation.
   - Ensuring student satisfaction and success.
   - Promoting continuous improvement in teaching, research, and administration.

3. **QA Frameworks and Practices:**

   The session delved into various QA frameworks and practices commonly used in higher education, such as program evaluations, peer reviews, and self-assessment processes. He discussed the benefits of adopting these approaches for institutional growth.

   Dr. Jose also presented the QA Framework of Sacred Heart College, Tewara for better understanding of the faculties. Each criteria's were clearly mentioned and explained.

4. **Components of a Quality Assurance System:**

   The session outlined the key components of a comprehensive QA system, including:

   - Curriculum development and review.
   - Teaching and learning assessment.
   - Faculty development and support.
   - Student feedback mechanisms.
   - Assessment of administrative processes.
   - External quality evaluations.

5. **Alignment with Institutional Goals:**

   The session stressed the importance of aligning QA efforts with the institution's mission, vision, and strategic goals. It was emphasized that QA should be integrated into the institution's culture and practices.

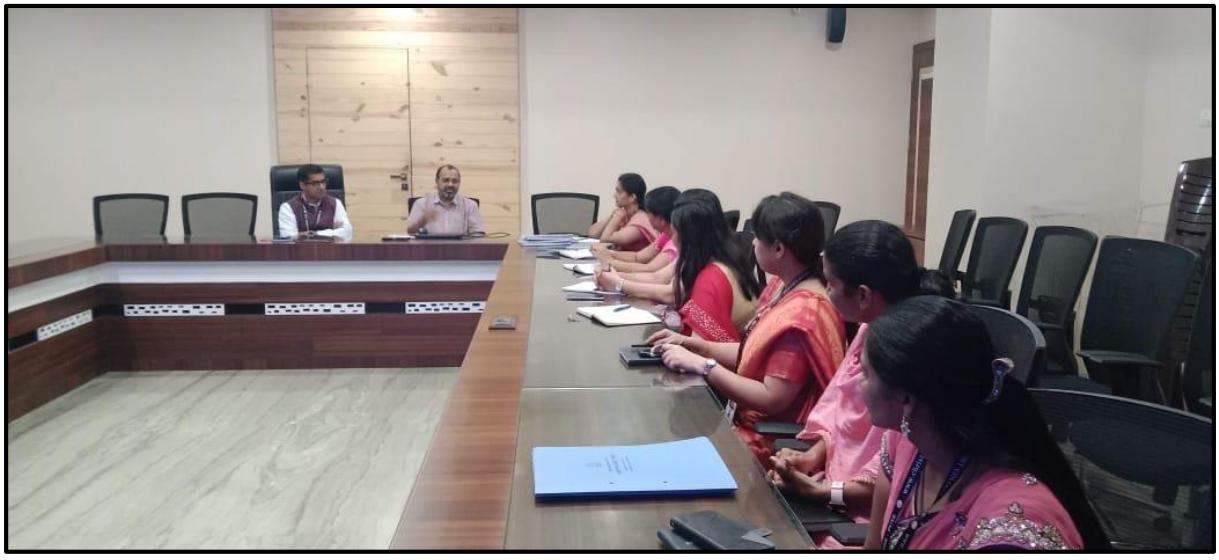

6. **Continuous Improvement:**

   Dr. Jose highlighted the concept of continuous improvement as a central tenet of QA. Faculty members were encouraged to view QA as an opportunity for growth and innovation in their teaching, research, and administrative roles.

7. **Q&A and Discussion:**

   The session concluded with an engaging Q&A session, allowing faculty members to seek clarifications, share insights, and discuss their experiences related to quality assurance.

About the Activity

General Report:

The Research Cell, Christ College Pune organized a Workshop on 'Sharpening Research Writing Skills' on 10th October 2022 for the faculty members of the college. The Resource person for the workshop was Dr Benny Godwin J, Associate Professor, CHRIST (Deemed to be University) Lavasa Campus-Pune. The workshop was attended by 35 participants. Dr Benny threw light on significant topics of research including: art of writing research papers, targeting appropriate journals, Formulation of research Problem, Research Design, Review of literature Data collection and analysis, Plagiarism, Citation and references. This workshop enhanced the research writing skills of participants, improved their understanding and widened their knowledge related to research.

Aims & Objectives:

- This workshop was organised to sharpen the research writing skills of the participants
- To enhance the knowledge about various journals available and targeting an appropriate one for their research paper.
- To impart knowledge on the use of research tools and methods for quality research.

Learning Outcomes:

- Participants got hands-on training on the research design and research tools motivated them to come up with quality research work.
- Participants learnt to explore the vast literature available on reliable databases to find the research papers required to be studied to enhance the knowledge on a particular research topic.
- The participants were provided with the opportunity to identify and analyze a certain topic and ultimately come up with a final topic to write a research paper for publication.

About the Activity

General Report:

The Internal Quality Assurance Cell (IQAC) orchestrated a highly informative and enriching one-day workshop, which unfolded its proceedings on the significant date of November 25, 2022. The workshop was orchestrated with meticulous planning and execution, with the overarching objective of fostering a comprehensive understanding of the intricacies of NAAC (National Assessment and Accreditation Council) accreditation processes among the participants.

Guiding the proceedings was the distinguished expertise of Dr. Manasi Kurtkoti, a prominent figure in the academic and institutional development landscape. With her multifaceted experience and insights, Dr. Kurtkoti served as the beacon of knowledge, guiding participants through an immersive exploration of the theme, "Preparedness for NAAC."

The heart of the workshop centered around dissecting the nuances of NAAC evaluation, with a particular focus on elucidating the key indicators pivotal in achieving elevated scores. The discussions embarked on a journey through the criterion-based review methodologies, shedding light on the core aspects that form the bedrock of a successful accreditation endeavor. Dr. Kurtkoti's acumen in this domain was evident as she unraveled intricate strategies that have the potential to propel institutions towards achieving remarkable NAAC scores.

The interactive nature of the session paved the way for dynamic engagement, as participants found themselves actively immersed in seeking clarifications and engaging in discourse. The platform provided a nurturing environment for attendees to delve deeper into the subject matter, addressing queries and sharing insights that collectively enriched the learning experience.

The workshop's impact transcended the confines of the event itself. Participants left with not only a comprehensive comprehension of NAAC processes but also a toolbox of effective strategies that can be harnessed to ensure institutional readiness and excellence. The immersive learning experience orchestrated by the IQAC team underlines their commitment to fostering academic enhancement and maintaining the highest standards of quality.

In summation, the one-day workshop conducted by Team IQAC, featuring the expertise of Dr. Manasi Kurtkoti, seamlessly amalgamated insights, interaction, and actionable strategies in the realm of NAAC accreditation preparedness. It stands as a testament to

Scanned with CamScanner

the institution's dedication to equipping its stakeholders with the knowledge and tools to excel in the rigorous evaluation processes of the academic world.

Aims & Objectives:

1. To enhance the understanding and preparedness of educational institutions for NAAC accreditation through informative workshops.
2. Provide strategies and guidance to institutions on how to improve their NAAC scores by focusing on essential aspects and indicators.
3. Circulate insights into NAAC accreditation processes, key indicators, and criterion-based review methodologies to educational institutions.

Learning Outcome:

1. Enhanced Understanding of NAAC Processes.
2. Application of Effective Strategies to improve their institution's readiness for NAAC accreditation

No. of participants benefitted: 30

About the Resource Person

Designation: Associate Professor / HOD Economics, DY Patil ACS College, Pimpri - Pune

Dr. Manasi Kurtkoti is a highly accomplished professional with a notable background in academia and institutional development. Holding a distinct position as a third-degree connection, Dr. Kurtkoti's expertise spans across various domains, cementing her as a prominent figure in the educational landscape.

Currently serving as the Head of the Department at Pad. Dr. D.Y Patil ACS College in Pimpri, Pune, Dr. Kurtkoti exemplifies leadership and proficiency in her role. Her stewardship plays a pivotal role in shaping the academic landscape of the institution, guiding both faculty and students towards excellence. Her commitment to educational advancement is evident in her multifaceted roles, where she actively contributes to fostering an environment of growth and learning.

GENERAL REPORT

1.1 INTRODUCTION

The Internal Quality Assurance Cell (IQAC) at Christ College- Pune, organized a workshop on Outcome-Based Education (OBE) and Evaluation. The workshop aimed to equip educators with a comprehensive understanding of OBE and its implementation in the teaching-learning process. It sought to address the significance of aligning knowledge, values, and skills with the learning outcomes.

1.2 About the Speaker- Associate Professor Peeyush Pahade

Sir serves as the Head of the Zoology Department at HV Deasi College, Pune, and is a founding member of IQAC Cluster India, an organization dedicated to advancing quality in higher education across India. With affiliations to over 2500 institutes and a vast network of 25000+ teaching professionals, Professor Pahade's expertise in areas such as NAAC, IQAC, and educational quality is poised to provide valuable insights into the future of higher education in our nation.

1.3 Workshop Overview

The workshop commenced with an engaging discussion, led by the guest speaker, on the qualities and skills educators wish to instill in their students upon graduation. Participants expressed diverse opinions, including leadership abilities, decision-making, team building, effective communication, knowledge acquisition, and ethical behavior. These insights laid the foundation for the subsequent discussions on OBE.

1.4 Key Highlights:

1. Blooms Taxonomy
2. Learning Objectives
3. Program Outcomes
4. Program Specific Outcomes
5. Course outcomes
6. Mapping PO and CO
7. Calculate Attainments
8. Applying concepts to syllabi and evaluation.

Scanned with CamScanner

DETAILED REPORT

2.1 Understanding the Essence of OBE

To establish a firm foundation in the realm of OBE, the speaker initiated proceedings by elucidating the critical distinction between objectives and outcomes. It was made abundantly clear that objectives are primarily intentions and goals, while outcomes refer to tangible, observable behaviors or actions that students exhibit as a result of their learning experiences. Participants were actively engaged in exploring how learning outcomes should be carefully crafted to reflect students' demonstrable behaviors post-learning. This comprehension of the essence of OBE laid the groundwork for subsequent discussions.

2.2 Differentiating Syllabus and Curriculum

Another pivotal aspect that the speaker emphasized was the fundamental distinction between a syllabus and a curriculum. While the former is a static document outlining course content, the latter encompasses a broader scope, including pedagogical methods, assessment strategies, and desired learning outcomes. Understanding this distinction was deemed crucial for educators to effectively implement OBE.

2.3 Bloom's Taxonomy for Outcome Framing

A pivotal segment of the workshop introduced Bloom's Taxonomy as a powerful framework for framing learning outcomes. Participants were actively engaged in this segment, tasked with the hands-on exercise of crafting outcomes tailored to their respective subjects. By applying the taxonomy's cognitive levels – from basic knowledge acquisition to advanced synthesis and evaluation – participants gained a practical understanding of how to align learning outcomes with the content and depth of their courses.

2.4 Program and Course Alignment

The workshop expanded its purview to encompass program outcomes (POs) and program-specific outcomes (PSOs). Participants gained valuable insights into the importance of aligning these overarching program goals with course-specific

Scanned with CamScanner

outcomes (COs). This alignment process ensures that every component of the educational journey contributes to the broader program objectives.

2.5 Application to Syllabi and Evaluation

In the final phase of the workshop, the spotlight was turned towards the practical application of OBE concepts. Educators were equipped with tools and techniques for embedding learning outcomes seamlessly into course syllabi. They were also guided in the design of effective assessment strategies that genuinely gauge the attainment of desired outcomes. Furthermore, the workshop delved into the calculation of attainments – a critical aspect of assessing the efficacy of OBE implementation.

3. Conclusion

The workshop on Outcome-Based Education and Evaluation organized by IQAC at Christ College Pune proved to be an insightful and informative event. Participants gained a deeper understanding of the importance of aligning education with specific learning outcomes and developing students' knowledge, values, and skills. The practical exercises, including the application of Bloom's Taxonomy, empowered educators to create meaningful learning experiences that foster holistic growth in students. This event was a valuable contribution to the continuous improvement of the college's teaching and learning processes.

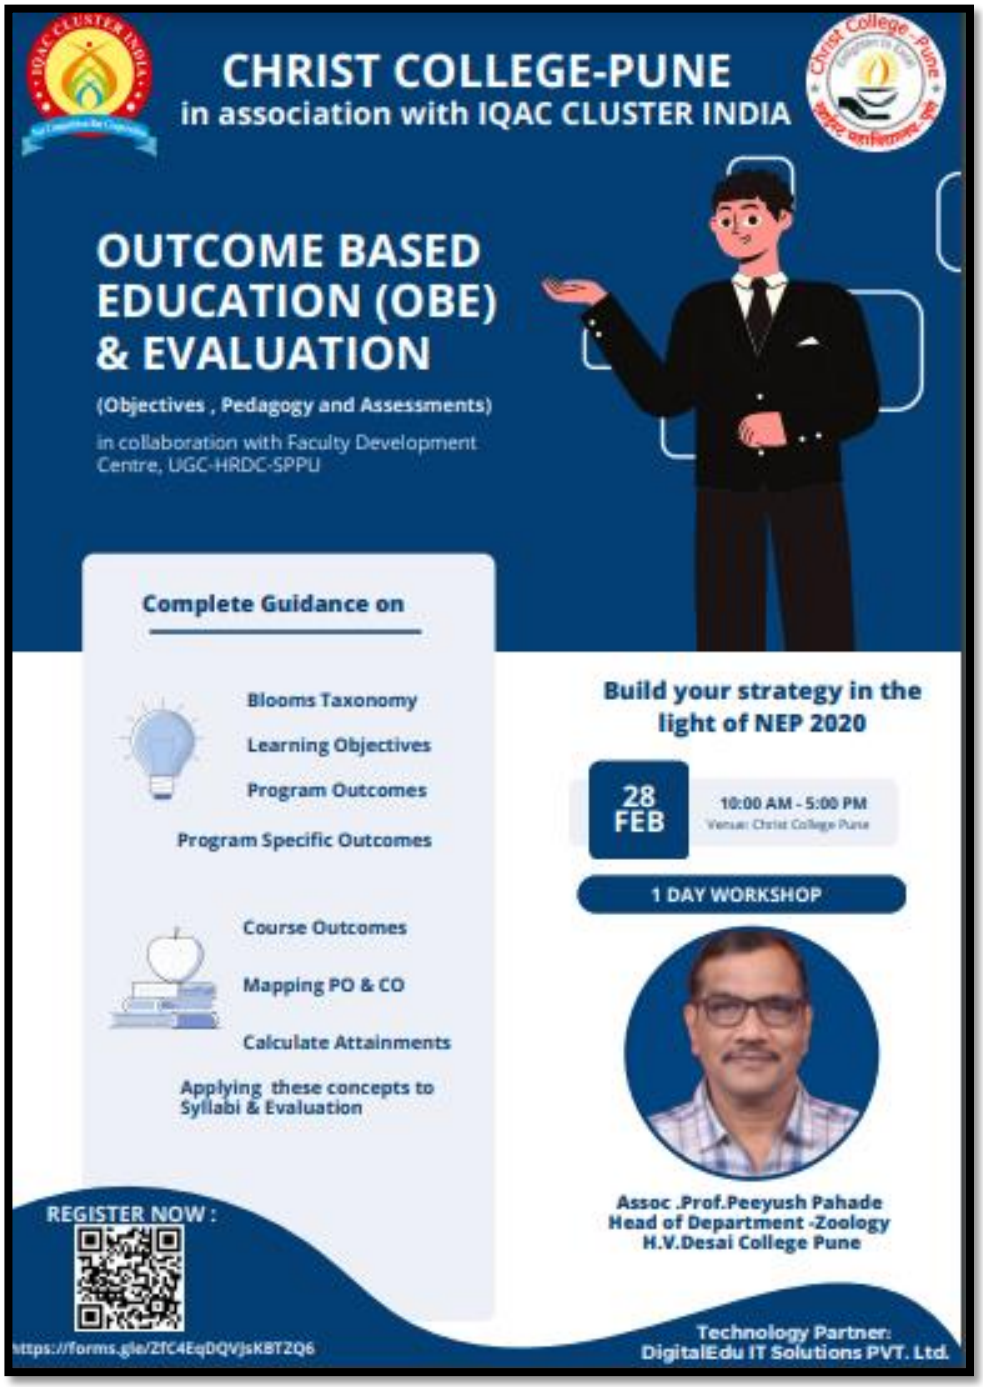

4. Acknowledgments

The organizers extend their gratitude to the speaker and all participants for their active engagement and enthusiastic participation in making this workshop a success. The commitment to enhancing the quality of education at Christ College Pune was evident throughout the event.
