INSTITUTIONAL ASSESSMENT AND ACCREDITATION
(Effective from July 2017)

Accreditation - (Cycle - 2)

PEER TEAM REPORT ON

INSTITUTIONAL ACCREDITATION OF
Carmel Vidya Bhavan Trust's CHRIST COLLEGE PUNE
C-41447

Pune
Maharashtra
411014

NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL
An Autonomous Institution of the University Grants Commission
P.O. Box No. 1075, Nagarbhavi, Bengaluru - 560 072, INDIA

Section I:GENERAL INFORMATION		
1.Name & Address of the institution:	Carmel Vidya Bhavan Trust's CHRIST COLLEGE PUNE Pune Maharashtra 411014	
2.Year of Establishment	2007	
3.Current Academic Activities at the Institution(Numbers):		
Faculties/Schools:	4	
Departments/Centres:	4	
Programmes/Course offered:	9	
Permanent Faculty Members:	44	
Permanent Support Staff:	35	
Students:	1471	
4.Three major features in the institutional Context (Asperceived by the Peer Team):	1. It is an unaided multi-disciplinary college 2. It offers both PG and UG courses affiliated to S.P Pune University. 3. It provides holistic development to students	
5.Dates of visit of the Peer Team (A detailed visit schedule may be included as Annexure):	From : 13-06-2024 To : 14-06-2024	
6.Composition of Peer Team which undertook the on site visit:		
	Name	Designation & Organisation Name
Chairperson	DR. PRANAB MUKHOPADHYAY	Professor,GOA UNIVERSITY
Member Co-ordinator:	DR. PRAMOD KUMAR RAI	Professor,Awadhesh Pratap Singh University Rewa MP
Member:	DR. S MARIA JOHN	FormerPrincipal,ANNAI VELANKANNI COLLEGE THOLAYAVATTOM KANNIYAKUMAR DT TAMILNADU
NAAC Co - ordinator:	Dr. L Manjunatha Rao	

Section II:Metric and Criterion Analysis
Observations (Strengths and/or Weaknesses) on each qualitative metrices of the key Indicator under the respective criterion(This will be a qualitative analysis of descriptive nature aimed at critical analysis presenting strength and weakness of HEI under each criteria)

Criterion1 - Curricular Aspects (Key Indicator and Qualitative Metrices(QlM) in Criterion1)	
1.1	Curricular Planning and Implementation
1.1.1 QlM	**The Institution ensures effective curriculum planning and delivery through a well-planned and documented process including Academic calendar and conduct of continuous internal Assessment**
1.3	Curriculum Enrichment
1.3.1 QlM	***Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability in transacting the Curriculum***

Qualitative analysis of Criterion 1

Carmel Vidya Bhavan Trust's Christ College Pune, (henceforth Christ College Pune) is an unaided multi-disciplinary college affiliated to the Savitribai Phule Pune University. It is managed by priests belonging to the order of Carmelites of Mary Immaculate (CMI). The campus has a built-up area of about 7700 sqm on a 5 acre property.

Established in 2007, the college was started with an intake of 15 students, a number which today stands at 1471 in 2022-23. It supports students coming from different backgrounds from India and abroad. There are four departments – Arts, Commerce, Management and Science.

During the assessment period, the college had offered seven undergraduate (UG) programmes and two postgraduate (PG) programmes - B.Com, B.A, B.Sc. (Computer Science), B.Sc., BBA (International Business), BBA (Computer Applications), M.Sc. (Computer Science) and M. Com. Students were also offered add-on courses like Statistical economics, Econometrics, Modern Robotics, Data Analytics. Skill development workshops were also held on Tally, GST, Advanced Excel, etc.

Seventy percent of its teaching staff are women and the students are equally divided among men and women. The college includes various teaching and co-curricular activities to inculcate professional ethics, gender and human Values, and consciousness about the Environment and Sustainability among students.

The College has a clearly defined vision and mission. It implemented the Choice-Based Credit System (CBCS) for its PG programs (in 2015) and the UG programs (in 2019). The college has undertaken the CO-PO mapping and the average pass percentage in the assessment period is about 90 percent.

In addition to the approved curriculum, the College has offered 58 add-ons and certificate courses to enhance employability and entrepreneurship skills. These were popular with the students, and over 70 per cent of students enrolled.

The college also provides training in Research Methodology, IPR, and Entrepreneurship. As required by the affiliating university, the college has completed the process of creating the Academic Bank of Credits account for students.

The college has adopted various student-centric teaching-learning methods such as poster presentation, group

discussions, etc. Teachers develop and use ICT tools. The college has a Startup and Innovation Centre (NIRMITI) and there is active encouragement of research and faculty are encouraged to publish their research in UGC care listed journals. Over 100 papers have been published in book chapters and conference proceedings in the assessment period. Those teachers who do not have a PhD have been encouraged to register for a PhD. Currently, 24 teachers are pursuing their PhD. Eight teachers have PhD, and eleven have NET/SET qualifications.

The college prepares an academic calendar at the beginning of each academic year, and there is a routine check on adherence to the calendar. Teachers maintain a diary of the portion covered in each class. The college follows a continuous internal assessment process using the various approved methods of the affiliating university.

Criterion2 - Teaching-learning and Evaluation (Key Indicator and Qualitative Metrices(QlM) in Criterion2)	
2.3	Teaching- Learning Process
2.3.1 QlM	**Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences and teachers use ICT-enabled tools including online resources for effective teaching and learning process**
2.5	Evaluation Process and Reforms
2.5.1 QlM	**Mechanism of internal/ external assessment is transparent and the grievance redressal system is time- bound and efficient**
2.6	Student Performance and Learning Outcomes
2.6.1 QlM	***Programme Outcomes (POs) and Course Outcomes (COs) for all Programmes offered by the institution are stated and displayed on website***
2.6.2 QlM	***Attainment of POs and COs are evaluated.*** Explain with evidence in a maximum of 500 words

Qualitative analysis of Criterion 2

The college aims to provide holistic development for every student. It follows the practice of ADER – Analyse, Design, Execute and Review for student development. It has a mechanism to identify slow and fast learners and accordingly design teaching efforts to enhance the learning experience.

An effective mentor-mentee system is in place to aid students' academic and extra-curricular learning. A full-time counsellor is on campus to assist students needing psychological advice.

ICT technology is used extensively, with all classrooms being provided with LCD or interactive digital boards. Google Classrooms and other e-teaching tools are regularly used by both students and faculty members. Internal assessments are evaluated transparently, and grievances are resolved quickly.

Students are encouraged to undertake interdisciplinary projects and have experiential learning through compulsory projects. There is evidence of strong student participation in all aspects of college functioning through various clubs, associations and cultural groups. The college enhances additional learning opportunities by organising skill development programs and career guidance talks by industry experts and alumni.

The college adopts student-centric teaching-learning methods such as poster presentation, group discussion, paper preparation, etc. There is an emphasis on soft skills development, and the college uses a Mock Interview laboratory. The students are also encourages to extensively encouraged to use ICT technology for assignments

and learning processes.

The college has filled all sanctioned posts, and these teachers have an average teaching experience of over 8 years. The college relies on full-time faculty in preference to lecture-based teachers as this helps in institution building and greater binding between students and teachers.

The college has undertaken CO-PO mapping and evaluates the attainment of learning outcomes to ensure better student performance in a systematic manner. The average pass percentage of students during the last five years is about 90 percent. The college has also produced several university rank holders which is creditable.

Criterion3 - Research, Innovations and Extension (Key Indicator and Qualitative Metrices(QlM) in Criterion3)	
3.2	Innovation Ecosystem
3.2.1 QlM	**Institution has created an ecosystem for innovations, Indian Knowledge System (IKS),including awareness about IPR, establishment of IPR cell, Incubation centre and other initiatives for the creation and transfer of knowledge/technology and the outcomes of the same are evident**
3.4	Extension Activities
3.4.1 QlM	**Outcomes of Extension activities in the neighborhood community in terms of impact and sensitizing the students to social issues for their holistic development during the last five years.**
3.4.2 QlM	**Awards and recognitions received for extension activities from government / government recognised bodies**

Qualitative analysis of Criterion 3

The College emphasizes the integration of research with teaching and learning through innovative methods. IQAC, in collaboration with the Research Cell, organizes various events such as lectures, workshops, seminars, and conferences to promote research among both staff and students. Students are actively encouraged to participate in Avishkar, where they receive guidance from faculty mentors. Additionally, IQAC has spearheaded the establishment of a Startup and Innovation Centre (NIRMITI), while the Entrepreneurship Cell continuously evolves to enhance its support for students aspiring to become successful entrepreneurs. Additionally, the college has established 43 functional Memorandums of Understanding (MOUs) over the past five years, fostering collaborations that benefit both students and faculty alike. Teachers have applied for three patents which are published but awaiting final grant.

In line with its commitment to the Indian Knowledge System (IKS), the College endeavours to disseminate and integrate IKS principles across all fields of study. This effort enriches academic quality and research outcomes while celebrating India's rich cultural heritage.

Faculty members are motivated to publish their research in UGC-Care listed journals, resulting in over 100 publications including book chapters, books, and conference proceedings at both national and international levels.

The NSS Unit, with support from other college departments, has undertaken 179 extension activities over the past five years, excluding camp activities. These activities encompass a wide range of initiatives including tree plantation drives, Swachh Bharat campaigns, AIDS awareness programs, blood donation camps, and efforts to

address social issues like gender equality. These endeavors provide students with opportunities to collaborate with NGOs and government bodies, earning them recognition and awards for their dedicated service to the community. Furthermore, the college instills a culture of institutional social responsibility, urging all students to actively participate in extension-related activities. The NSS unit enrolls 100 students each year as per university allocation. Additional students willing to participate are also permitted and the college provides certificates of appreciation to them upon participation.

The college could consider having an NCC unit to complement the efforts of the NSS unit **i**n fostering national integration values. Given that the college is located in a business hub, faculty should be encouraged to undertake consultancies and sponsored research projects.

Criterion4 - Infrastructure and Learning Resources (Key Indicator and Qualitative Metrices(QlM) in Criterion4)	
4.1	Physical Facilities
4.1.1 QlM	**The Institution has adequate infrastructure and other facilities for,** • **teaching – learning, viz., classrooms, laboratories, computing equipment etc** • **ICT – enabled facilities such as smart class, LMS etc.** **Facilities for Cultural and sports activities, yoga centre, games (indoor and outdoor), Gymnasium, auditorium etc (Describe the adequacy of facilities in maximum of 500 words.)**
4.2	Library as a Learning Resource
4.2.1 QlM	***Library is automated with digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students***
4.3	IT Infrastructure
4.3.1 QlM	**Institution frequently updates its IT facilities and provides sufficient bandwidth for internet connection** ***Describe IT facilities including Wi-Fi with date and nature of updation, available internet bandwidth within a maximum of 500 words***

Qualitative analysis of Criterion 4

The college has 24 classrooms of which 13 are equipped with interactive panels, while others have LCD projectors with Wi-Fi accessibility. Additionally, there are six specialized laboratories designed to enhance practical learning experiences, with regular upgrades to computer hardware and software. Teachers and administrators have adequate working space and senior staff members have individual cabins.

The college has a 7-a side football field as well as a full-sized football field. There is an open stage for cultural events and a modern basketball court. Cultural events are hosted in a 500-capacity multipurpose hall and an open stage area. Parking is provided for cars and two-wheelers.

Exam integrity is maintained through an Exam Control Room, strong room and CCTV surveillance, ensuring a safe and secure environment. Continuous monitoring and on-campus security officers contribute to the absence of ragging or sexual harassment incidents. Fire safety is prioritized with the presence of fire extinguishers throughout the premises.

The library, spanning 6385 square feet, offers a spacious and well-equipped environment for study and research. With seating for 90 individuals, it includes multiple reading spaces, a study room for staff, and access to various reading materials. An OPAC system is used for library management. Automation is facilitated through Akash Infotech's AutoLib NG software, with access to a vast database of electronic books and periodicals through the N-List Database subscription.

The institution ensures uninterrupted power supply through a generator backup system and solar energy collection on the college terrace. Culinary and stationery needs are met with three cafeterias and a campus store. Facilities for physical, mental, and professional well-being include a gym, sports room, yoga room, NSS room, and spaces for cultural activities. Comprehensive capability enhancement measures are integrated, offering guidance for competitive examinations, career development, soft skills training, and rejuvenating Yoga and Meditation sessions.

The college also has two large canteen facilities and a stationary store on campus that caters to the needs of the students adequately.

Criterion5 - Student Support and Progression (Key Indicator and Qualitative Metrices(QlM) in Criterion5)	
5.4	Alumni Engagement
5.4.1 QlM	**There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services**

Qualitative analysis of Criterion 5

The college Principal and HoDs interview every incoming student and thus establish a personal connect with every student. This helps the college recognize the diverse needs of students and thus are able to respond to individual needs of students. Students are offered a Earn and Learn Scheme, in collaboration with the affiliating university.

Committees such as Anti-Ragging, Sexual Harassment, and Grievance Redressal have well-defined mechanisms to maintain a safe and nurturing environment. There have been no reported cases of any such instances in the college.

The college has a very strong sports and cultural activities history. Over the last five years, students have received 39 awards in various sports and cultural competitions. The grand cultural fest, 'Chrysalis,' provides a platform for students to showcase their talents on diverse themes, encompassing both cultural and sporting dimensions. Other events such as Aaghaaz, Impulse, Chrysolite, Explorador, and Chrisliga contribute to the vibrant atmosphere on campus.

The student council is an active body that oversees and coordinates all student activities on the campus and also liaises with the teachers and the administration. They are represented on various college committees, including the IQAC.

The extensive alumni network is crucial in bridging the gap between the past and present. The Alumni Association is a registered organization. Through their generous financial and non-financial contributions, the current students benefit in multiple ways.

While the alumni do several seminars and panel talks, they could also be encouraged to provide hand-holding advice for those who wish to undertake entrepreneurial activities. More training programmes for competitive

exams, especially PG entrance exams, could be considered for the benefit of students.

Criterion6 - Governance, Leadership and Management (Key Indicator and Qualitative Metrices(QlM) in Criterion6)	
6.1	Institutional Vision and Leadership
6.1.1 QlM	***The institutional governance and leadership are in accordance with the vision and mission of the Institution and it is visible in various institutional practices such as NEP implementation, sustained institutional growth, decentralization, participation in the institutional governance and in their short term and long term Institutional Perspective Plan.***
6.2	Strategy Development and Deployment
6.2.1 QlM	***The institutional perspective plan is effectively deployed and functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment, service rules, and procedures, etc***
6.3	Faculty Empowerment Strategies
6.3.1 QlM	**The institution has performance appraisal system, effective welfare measures for teaching and non-teaching staff and avenues for career development/progression**
6.4	Financial Management and Resource Mobilization
6.4.1 QlM	**Institution has strategies for mobilization and optimal utilization of resources and funds from various sources (government/ nongovernment organizations) and it conducts financial audits regularly (internal and external)**
6.5	Internal Quality Assurance System
6.5.1 QlM	**Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities**

Qualitative analysis of Criterion 6

The college caters to students from urban and rural areas of Maharashtra and from different parts of the country. It has the Vision “Enlighten to Excel” and the Mission is “forming leaders who are intellectually competent, spiritually mature, morally upright, psychologically integrated, physically healthy and socially responsible individuals who are open to grow and champion the cause of justice, love, truth and peace”. College governance and leadership align closely with its vision and mission for holistic development. Decentralization and participative management are being followed in the governance and administration of the college. The institution adopts modern approaches, viz NEP and innovative teaching methods, and emphasizes co-curricular activities.

The Principal works with various committees with delegation of authority as per rules and regulations approved by the Governing Council. The governing body is constituted by the priests of the CMI congregation. It is supported by the College Advisory Council and Development Committee, which includes academic and corporate experts.

About 26 committees, constituted annually, are in existence at present, which ensure effective implementation of the plan formulated by the Governing Body/Principal. The time-bound, long-term Comprehensive strategic/Prospective plan for the rapid development of the college revolves around the quality of teaching-learning, student educational and campus experiences and stakeholder expectations.

Moreover, IQAC and various departments have jointly conducted 47 sessions focusing on Research

Methodology, Intellectual Property Rights (IPR), and Entrepreneurship, thereby equipping participants with essential skills and knowledge relevant to the contemporary landscape. IQAC contributes significantly to institutionalizing quality assurance strategies and standard operating procedures for conducting academic and non-academic activities. The meetings of IQAC have been held regularly, and minutes have been prepared for proper follow-up in the future. IQAC has encouraged faculty members to contribute research papers and participate in various workshops, seminars, conferences, FDPs/MDPs and other training programs to augment their knowledge in their respective fields. It has collected feedback from different stakeholders for initiating corrective measures to ensure quality enhancement. IQAC periodically reviews the teaching-learning process, evaluates the attainment of POs and Cos, and provides structured feedback and performance appraisals for teaching and non-teaching staff.

The college has some welfare schemes like interest-free loans for short durations, fee waivers for children of staff, and medical/maternity leave. The performance appraisal is conducted annually through confidential reports.

The Institution derives its funds mainly from Trust's investments, student fees, and sponsorships from various stakeholders for specific projects/events. The funds/fees received/collected are utilized as per the approved budget, and rules, regulations, and procedures are laid down transparently. The college needs to generate more funds from other sources (e.g.: CSR funds from companies, local business houses and Alumni Association).

The college conducts various audits, including academic and administrative, green, gender, energy and environmental. An internal and external auditor performs the financial audit annually. The external audit is done for stock verification and accounts. The accounts are submitted and verified annually by the Charity Commissioner of Pune.

Criterion7 - Institutional Values and Best Practices (Key Indicator and Qualitative Metrices(QlM) in Criterion7)	
7.1	Institutional Values and Social Responsibilities
7.1.1 QlM	**Institution has initiated the Gender Audit and measures for the promotion of gender equity during the last five years.** ***Describe the gender equity & sensitization in curricular and co-curricular activities, facilities for women on campus etc., within 500 words***
7.1.4 QlM	**Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and Sensitization of students and employees to the constitutional obligations: values, rights, duties and responsibilities of citizens (Within 500 words)**
7.2	Best Practices
7.2.1 QlM	**Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual**
7.3	Institutional Distinctiveness
7.3.1 QlM	**Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words**

Qualitative analysis of Criterion 7
The college offers co-education, as such special care is taken of girl students. For ensuring a gender equity environment on campus, a number of committees/cells have been constituted by the institution (e.g. Anti-

Ragging Cell, Women's Cell, Discipline Committee and Anti-Sexual Harassment Committee). Separate restrooms and toilets have been constructed for female students/ staff.

The college has installed ramps for those have mobility challenges. There is also a rainwater harvesting facility, waste management through vermicompost and roof top solar power generation that is fed to the grid. The college gets credit from the electricity department for power generated by the panels. MOUs have been made for waste and e-waste management.

A distinctive feature of the campus is the presence of an apiary with a collection of birds from different parts of the world.

Various units/chapters/papers related to gender equity are seamlessly integrated in the university curriculum. Girl students are inspired to actively participate in various social, cultural and sports activities of the college and are also given due representation in different committees. Gender sensitization programs have also been organised from time to time on the campus. Self-defense training workshops and awareness sessions are conducted regularly on women health, hygiene, and women rights etc. Separate common rooms are allocated for boys and girls. The girl’s common room is equipped with sanitary pad vending machine and girls toilets have incinerator with other physical facilities for the female students/staff.

For the development of inclusive nature of campus with harmony and peaceful culture institution has organized various cultural events, celeberated various National and International commemorative days, events and festivals to bring students together of all the sections coming from different socio economic, language, religious regional and lingual backgrounds. All the eligible students are given admission as per rules irrespective of their caste, creed, religion, or region.

All student grievances are addressed by class mentors as well as student welfare committee members.

The College believes in inclusive education that translates humanistic outreach to build a better community and socially conscious citizens. Communal divides were not felt on the campus. Various programs organized by the committees ensure that caste, creed, and religion melt into each other. The college collectively mingles to work, play, and celebrate.

In order to sensitize the staff/students with respect to constitutional obligations the college celebrates various days such as Human Rights Day, constitution day and Sadbhavna Day where special lectures are arranged for inculcating constitutional values in the minds of the younger generation.

The college has listed "Exemplor of whole Person Development" as one of its best practices to nurture holistic development. This practice has enhanced overall positive brand perception of the college.

“Youth Sensitization and Community Upliftment” has been identified as the other best practice of the institution wherein the students are actively engaged in sensitization and community upliftment initiatives, instilling empathy, leadership, and a sense of social responsibility, thereby positively impacting society. Positive behavioral and attitudinal changes among students have been observed.

One distinctive feature of Christ College is its distinctive focus on nurturing artistic and cultural expressions. The campus is regarded as a vibrant hub of creativity and cultural diversity.

The institution’s journey over the past five years reflects a holistic and forward thinking approach. As such

the institution has made efforts not only to provide education but also to promote the overall personality of the students by encouraging them to participate in Curricular, Co-curricular and extracurricular activities.

Section III:Overall Analysisbased on Institutional strengths.Weaknesses,Opportunities & Challenges(**SWOC)**

Overall Analysis

Strength:

1. Committed administration, faculty with strong institutional and student connect

2. High student teacher ratio

3. Good outdoor sports facility and strong sports focus in college.

4. Well located campus with good infrastructure with possibility of further expansion.

5. Cordial relations between administration, teachers and students

6. Modern library with attractive reading and interaction spaces.

7. Registered alumni association and participation institute’s activities.

8. Effective Mentor-Mentee practices.

9. High presence of women in all spheres of the college.

Weaknesses:

1. Low external research funding.

2. Low Scopus-indexed publications

3. Limited inter-institution collaboration

4. NEP integration in nascent stage

5. Salary and welfare measures of teaching and non-teaching staff not at par with UGC scales which limits acquiring high talent in teaching and administration

Opportunities:

1. Strategic advantage of being located in a business city should help strengthen industry collaborations and increase consultancies.

2. Being in the vicinity of many top ranking HEIs, could pave the way for grater inter institution collaboration.

3. The location and alumni network should help the college develop a strong executive training programme.

4. Introduction of new PG courses in professional areas

5. Build international collaborations for research and exchange.

6. Leveraging consultancy projects given the presence of well-known consulting companies and institutions in the city.

Challenges:

1. Entry of new universities especially foreign universities.

2. Complying with NEP in all respects

3. Innovation in course work under the affiliation system.

4. Possibility of becoming an autonomous college to enhance academic flexibility.

Section IV:Recommendations for Quality Enhancement of the Institution

(Please limit to **ten major ones** and use telegraphic language) (It is not necessary to indicate all the ten bullets)

- Increasing the number of PG courses, especially MBA and Data Science.
- Increasing the campus area to accommodate increasing number of students.
- Providing research incentives to encourage high quality publications.
- Expand the number of sports currently available to students.
- Consider providing seed funds for faculty who have completed PhD to encourage research.
- Have an IPR policy since there is an effort at patent creation.
- Establish collaborations with leading HEIs in India and abroad.
- Move towards a fully residential campus to enhance students' learning experience.
- College bus to transport students to the campus could be considered for those coming from a longer distance
- Group health insurance for employees could be added as a welfare scheme

I have gone through the observations of the Peer Team as mentioned in this report
