DATE : 8th March 2022

Volunteers' Participation: 86

Christ College Pune Internal Quality Assurance Cell in Association with National Service Scheme organized a National Webinar on 8th March 2022, at 12 pm via Google Meet, on the occasion of International Women's Day. The theme was 'Gender Equality Today for a Sustainable Tomorrow'. Ms Ruchira Sawant, the co-founder of MakeShift, Mumbai, Space science Communicator and Educator, was the resource person for the day.

The event started with a welcome address by Ms Lis Maria Saju, NSS Representative, followed by a talk by the speaker Ms Ruchira who began by interacting with the audience, asking various thought-provoking questions. She shared how working as the only woman team member made her realize that equality is not treating the person special but like one among us. During the talk, she shared the importance of bridging the gap between education and design thinking and emphasized three questions to ask ourselves when working on any problem statement. First, ask what are you doing, then find why are you doing it and then seek for whom are you doing it for. The talk came to a close with a round of questions and answers in which the audience actively participated. All positively filled out the feedback forms. The resource person thanked the organizers for arranging the live webinar. The webinar ended with a vote of thanks by Mr Rufus Samuel, IQAC Student Representative. Around 86 participants took part, including faculty members, students and NSS volunteers.

SPPU Workshop on Gender Sensitization

DATE : 24th & 25th March 2022

Volunteers' Participation: 02

As per Savitribai Phule Pune University circular, Christ College sent two volunteers namely Mohsin Mohammad Chunnawala and Shawn Coutinho to attend the residential workshop to be held at Environmental Department, SPPU. NSS PO of Christ College, Dr Priya Wahab worked as a member of hospitality committee of the workshop. The workshop was organized by Savitribai Phule University Pune and Baya Karve Women's Studies and Research Centre of Maharshi Karve Women's Education Institute. The workshop was based on Gender Sensitization. Registration began on 9:00am at University Environmental Department. There were total of 300 students registered for the workshop. After the registration, volunteers were provided food coupons, ID card, notebook, pen and leaflet of the event. First session began after breakfast with introduction of the teachers that will be hosting the workshop that was on the topic 'Difference between Gender and Sex'. It was interestingly explained with help of few games and songs. Then after lunch the main theme of the workshop was shared i.e., Gender Sensitization. It was discussed thoroughly with few activities like group songs and group-based activity i.e., to perform different ideas that were discussed on the same day including our own creativity and style. After dinner at 11:00 pm we were guided towards the accommodation, which was excellent and got a good night sleep.

The session on next day was scheduled at same location at 7:00 am. It was mainly about acupressure and body warmup exercises and to prepare our minds for the upcoming activity. Then

soon after the breakfast and students were told to split themselves into groups and were given different topics to each group. The activity was about preparing charts about the given topic and present the same on stage. It was quite interesting for all as it helped everyone to let their creativity out and clear the motive of gender sensitization in everyone's mind. Students were given opportunity to speak about their experiences and share their thoughts. The two day residential workshop came to an end with certificate distribution.

parallel investigations better :—

★ Have SLAs for the smooth functioning of the committee :—
Even though the law has provided a larger level timeline & various other for some of the stages of the investigation process, it is efficient to break down the process further & assign timelines for them & establish some service level agreements (SLAs).
FOR EXAMPLE : If a complaint is received by the committee, what should be the turnaround time for a response to the complaint ? In how many days should the first meeting with the complaint happen ? After a meeting how much time is allotted for the minutes & signed by the concerned parties ? These are just some of the ex.

★ Identify & assign roles & responsibilities for different activities of the Investigation :—
The role of the Chairperson has been expressed as a crucial one in the law. However, the committee requires the following : assignment of roles on administration, operational arrangement, budget approval, documentation preparation, & much more It is important that these tasks are identified & assigned in advance for the committee to be process oriented.

★ Make Templates for as many communications task as possible for as many activities that can :—

Dr. Shruti Gill, Dept. of the Commerce, Christ College, conducted a session on 'Save the Girl Child' with a spirit to celebrate Woman's Day. From the past few years repeated articles in newspapers and television are featuring married or unmarried women or couples abandoning or killing newborn babies because she was a girl. Many baby girls have been discarded as though they were some garbage by letting them being eaten by stray dogs, strangling and put into plastic bags and dumped near dustbins. Thus a need was felt that the students should become sensitive towards this issue so that when in turn parents in future, they accept the child irrespective of the gender with open and happy hearts. The population of girls is comparatively very less to the boys in our country. Hence, it becomes the duty and social responsibility to educate the youth of today on saving Girl Child as 'This world would not have existed if girls were not there'. A girl, a daughter, a sister a wife and in-law in various other roles are played in family by the girl so 'Why not let them live?' As Dr. Shruti Gill appositely said that on the Woman's Day thus, we need to think, have a rational mind and a clean heart towards the precious gift from the Almighty – The Girl Child.
