Criterion VII

7.2.1 BEST PRACTICE 1

An Exemplar of Whole Person Development Unleashing Potential & Nurturing Excellence

(Supporting Document)

Best Practice 1

1. Title: An Exemplar of Whole Person Development – Unleashing Potential and Nurturing Excellence

2. Objectives

2.1 To develop students as whole persons by nurturing their intellectual, physical, professional, psychological, social and spiritual capacities to be effective in their future career and personal life.

2.2 To enhance their holistic growth as articulated in the graduate attributes of the college that are aligned with future skills identified by the World Economic Forum.

2.3 To instill resilience and confidence among students in the face of a Brittle, Anxious, Non-linear and Incomprehensible world

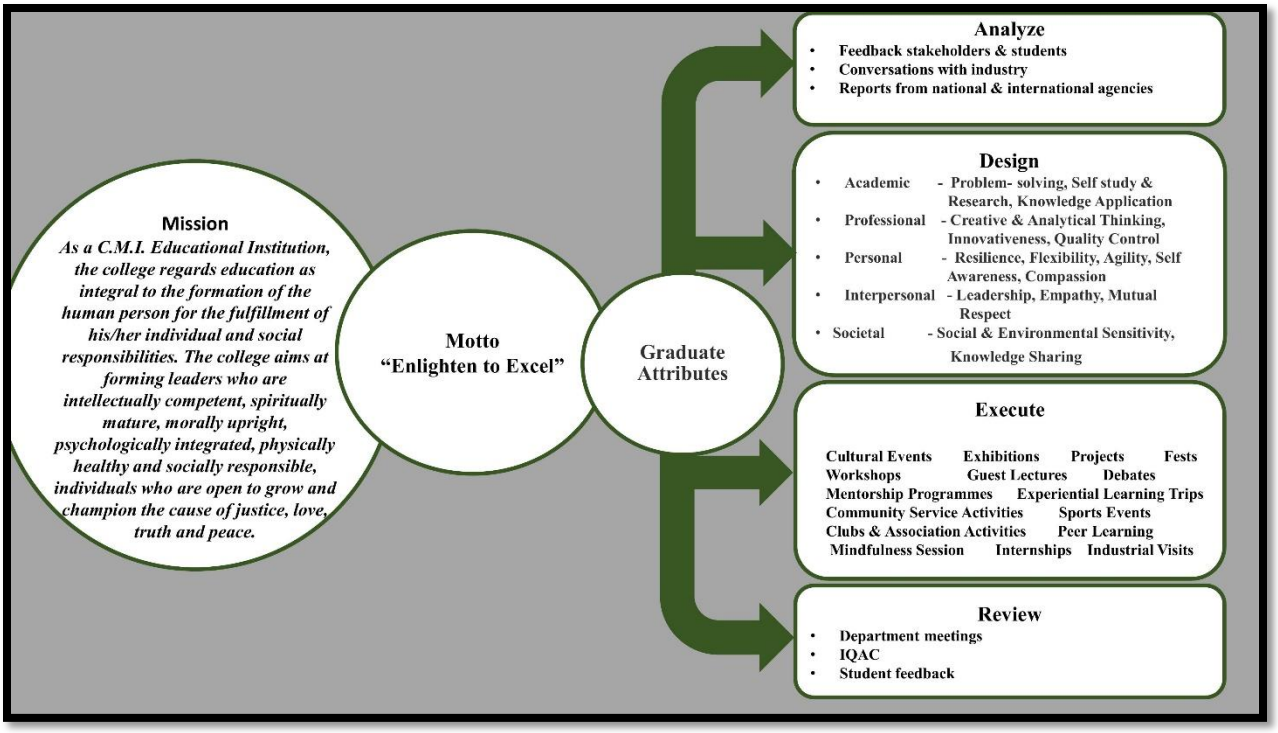
2.4 To inculcate divergent thinking and creativity through a more holistic, discovery-based, discussion-based, and analysis-based learning.

3. The Context

With the emergence of Artificial Intelligence and related disruptive technologies, the world of employments and skills have changed completely in the last few years. So too are the demands from the graduates from higher educational institutions in terms of their readiness to enter into the world of work. Various agencies like world economic forum continuously assess the trends and future of work and prescribes job skills for the future. A graduate should possess multi-dimensional competencies in the domains of cognitive skills, self-efficacy, management skills, technology skills, working with others and engagement skills to respond to the rapidly changing demands of future careers. In this context, Christ College has articulated graduate attributes covering all important aspects of knowledge, skills, attitudes, values and habits to provide a whole person education to all the students through the educational experience in the campus.

4. The Practice

The whole person education as a practice Christ College developed has a four-phased approach called ADER (Analyze, Design, Execute, and Review). A model of 'An Exemplar of Whole Person Development – Unleashing Potential and Nurturing Excellence' is depicted below.



4.1 Analyze

The whole person education is a comprehensive process that involves all academic departments, centers, associations, committees and clubs of the college. The process starts with analyzing data and information from various sources like feedback from stakeholders, previous year activity reports, students' feedback, conversations with industry, reports from national and international agencies like WEF etc.

4.2 Design

In the Design phase, various departments and student organizations such as NSS, SCA, SDO, CDM etc. of the college develops annual calendar and activity planner at the beginning of an academic year. This is in tune with the graduate attributes articulated from the data curated in the Analyze phase. The attributes are in the domains of academic, professional, personal, interpersonal and societal skills required for the future.

4.3 Execute

The whole person development program as a multi-dimensional educational experience is executed at various levels in the campus through the initiatives of academic departments and other associations, centers etc. A sample of 10 graduate attributes and its execution plans are elucidated here.

4.3.1 Creative Thinking: It encompasses the capacity to generate innovative ideas, think outside the box, and approach challenges with fresh perspectives which are nurtured through some of the following initiatives.

- Cultural Events
- Print and Digital Media creations
- Exhibitions

4.2.2 Analytical Thinking: It involves the ability to critically assess and analyze information, make data-driven decisions, and solve complex problems systematically. Some of the programs that develops analytical thinking are:

- Projects
- Case Study
- Academic Fests
- Aptitude Training

4.2.3 Technological Literacy: It refers to an individual's ability to use digital technologies and tools effectively. Following activities are a few examples that give students opportunity to enhance their tech skills.

- Tech Fest
- Integration of software, gamified applications and AI tools in the pedagogy
- Competitions and games to promote digital skills

4.2.4 Curiosity and lifelong learning: Curiosity refers to the innate desire to seek knowledge, understanding, and new experiences. Lifelong learning is the commitment to acquiring new knowledge and skills throughout one's entire life. It is imparted through:

- Academic Workshops
- Guest Lectures
- Debates and Discussions
- Mentorship Programmes
- Experiential Learning Trips

4.2.5 Resilience, Flexibility and Agility: Resilience refers to the ability to withstand adversity and bounce back from difficult life events. Flexibility is the ability to adapt to change. Agility relates to the capability to move quickly and easily, both physically and mentally. These personal skills are nurtured through:

- Sports Events
- Community Service Activities
- Trekking
- Camping

4.2.6 Motivation and self-awareness: Motivation refers to the process that drives individuals to set and achieve their goals. Self-awareness, on the other hand, is the ability to see oneself clearly and objectively through reflection and introspection.

- Student Induction Programmes
- Peer Learning Groups
- Career Development Seminars
- Clubs and Association Activities

4.2.7 Dependability and Attention to Detail: Dependability refers to an individual's reliability and consistency in fulfilling their responsibilities and commitments. It signifies a person's capacity to thoroughly examine and scrutinize work, documents, or tasks to identify errors, inconsistencies, or areas for improvement. Following programs helps students to develop these.

- Hosting events such as Crescita, Junior College Fest, Gloria, Aghaaz
- Reaching out to communities around with various programs
- Team Projects
- Participative management in student council

4.2.8 Empathy and Active Listening: Empathy involves understanding and sharing the feelings of others, while active listening is a communication skill that focuses on fully comprehending what someone is saying and demonstrating that understanding. Students are given ample opportunities in the campus to develop these inter-personal skills.

- Service-learning projects
- Peer teaching
- Mindfulness sessions
- Yoga

4.2.9 Leadership and social influence: It involves guiding and motivating individuals or groups to achieve common goals, fostering collaboration, and adapting to the challenges posed by the Fourth Industrial Revolution (defined by WEF). A few examples of student opportunities to develop these skills are:

- Association/club activities
- Peer teaching
- Co- ordinating events
- Heading as well as participating in various committees

4.2.10 Quality control: It involves processes such as inspection, measurement, and testing to ensure that project outputs, products, or services meet specified standards or requirements. Students are instilled these skills through:

- Internships
- Industrial Visits
- Review Meetings of student organizations such as SCA, SDO and NSS

4.3 Review

There is ongoing review of this practice at various evaluation programs at different levels.

- Department Level- fortnightly department meetings
- College Level – IQAC
- Student feedback

5. Evidence of success

- Students have shown overall development which is observable in the improvement in their academic performance.
- Students have remarkable achievements in various academic fests, cultural and sports events and competitions hosted by other institutions across Pune city.
- There is overall positive brand perception which is translated in increase in the quality and quantity of applicants to the college.
- Positive feedback from corporates where our alumni are employed and enhanced placement opportunities for the graduates.

6. Problems encountered and resources required

- In order to engage students in an ongoing manner with the practice is one of the major challenges.
- To ensure work life balance of staff members as the time and commitment even beyond the class hours is required for the successful execution of the practice.
- Measuring the long-term effectiveness of skills is challenging.
- Students face challenges in balancing their academics and extracurricular interests.

In terms of resources, most important need is developing the skills and expertise of faculty members to be effective facilitators of the program which require ongoing training programs. There is also the need for adequate infrastructure and financial allocation in the annual budget to make the practice effective and sustainable.

Criterion VII

7.2.1 BEST PRACTICE 2

Youth Sensitization & Community Upliftment

BEST PRACTICE 2

Title: Youth Sensitization & involvement in Community Upliftment

Objective of the practice

- To inculcate social sensitivity within the student community
- To create a social impact in local underprivileged and marginalized communities

Context

According to the United Nations, a substantial segment of India's population still falls within underprivileged and marginalized categories, underscoring the necessity for increased awareness and efforts towards their upliftment. Christ College Pune, as a mission-driven institution, educates, encourages and empowers its students to make a substantial impact on society through various awareness and community engagement activities.

Practice

The college prioritizes the transformation of its students into socially responsible citizens who are equipped to make a positive impact. Student volunteers play a central role in achieving this goal, as they lead various activities, enabling them to take ownership of their community engagement and acquire valuable practical experience in the process. The college offers a diverse array of opportunities to enhance students' social sensitivity and engage them in community service activities, categorized as follows:

Enhancing student's social sensitivity

- The Anti-Tobacco Day Pledge Drive raised awareness among students regarding the detrimental impacts of tobacco and the increasing prevalence of substance use among young individuals.
- Students partnered with Sarva Seva Sangh NGO to conduct a compelling World AIDS Day street play at Pune's educational institutions. They aimed to raise HIV awareness, emphasizing staying informed and taking precautions.
- Awareness rallies on 'Say no to Alcohol & Drugs,' 'Traffic awareness,' and 'Cleanliness awareness' organized by the student volunteers created a positive impact on the local community.
- To mark India's 75th Independence Day, students participated in 'Har Ghar Tiranga Campaign'. They contributed 450 photos of students holding the national flag, achieving a Guinness World Record during the program at Savitribai Phule Pune University on August 15, 2022.

BEST PRACTICE 2

- To celebrate Unity Day on 31/10/22, the students organized a program introducing its significance, a unity-themed game, and a unity pledge. It concluded with a unity chain demonstration.
- For Constitution Day, Christ College's Student Development and NSS groups organized an event to promote constitutional principles. Students recited and explained India's constitution preamble and participated in an informative quiz. They also joined a marathon organized by Savitribai Phule Pune University with over 1000 participants in three categories.
- On June 6, 2022, college students organized an environment awareness rally in Wadgaonsheri, led by Principal. They raised awareness about climate change, environment conservation, and cleanliness.
- In collaboration with Arts & Commerce Departments, the NSS unit organized an exhibition featuring BA and BCOM students' posters on social and environmental issues, promoting awareness and discussions among staff and students.

Community Outreach for Social Impact

- In partnership with Sarva Seva Sangh NGO, conducted an awareness campaign on Child Rights & Child Beggary on April 30, 2022. Volunteers raised placards at Pune city signals to spread awareness, counsel child beggars, and promote education.
- Blood donation is a vital act of humanity. Akhil Bhartiya Terapanth Yuvak Parishad and Christ College volunteers organized a college blood donation camp, recognizing its importance. Another successful Mega Blood donation camp took place at Pathare Stadium, with student volunteers assisting. Both events demonstrated the community's dedication to saving lives through blood donation.
- The college celebrated the Joy of Giving Week, collecting snacks, stationery, and smiley balls for street children and those affected by HIV/AIDS. Students also visited SVD campus for a Bal Mela, sharing happiness with less privileged children.
- Christ College students addressed e-waste concerns by conducting a week-long awareness drive, collecting electronic waste from staff and students, recycling 318.9 Kgs through Threco Recycling LLP.
- A village plantation drive in Bakori promoted environmental conservation, involved volunteers in tree planting and education, fostering awareness, and long-term ecological benefits.
- Students organized a thorough cleanliness drive in the Bakori gram panchayat area, temples, cemetery, and local washrooms. Their dedication and hard work received positive feedback, fostering a sense of civic responsibility and leaving a lasting impact on the community.

BEST PRACTICE 2

- On Children's Day, students spent time with street kids, teaching math, English, and songs, and offering encouragement for education and hygiene.
- Students visited SVD campus for a Bal Mela, bringing joy to underprivileged children with games, gifts, smiley balls, and biscuits.
- Staff and students visited Snehalaya and Maher orphanage on December 23, 2022, donating essential items and sharing joyous moments with underprivileged children, fostering companionship and happiness.
- Students visited Annasaheb Behere Old Age Home, empowering senior citizens through digital literacy. The seniors greatly appreciated the visit and interaction.

Christ College-Pune aims to involve students in various social service activities on a volunteer basis. These activities and events inspire and encourage students to provide social service and contribute to the development of society. Such programmes help students shape, nurture, and instill a sense of responsibility in themselves. The social welfare activities offer opportunities for students to learn *the values of teamwork, individual and group responsibility, physical strength and endurance.* These activities add to the student's attributes and teach them valuable life lessons.

Evidence of success

Students' active participation garnered positive feedback not only from their peers but also from various stakeholders within the community. In recognition of their dedication and impact, the college has received numerous accolades and recognitions from reputable public organizations, further affirming the success of their commitment to selfless service.

Problems Encountered and Resources required

- Motivating students to engage with the community beyond their comfort zones.
- Addressing financial limitations for transportation and materials.
- Allocating funds for social initiatives poses a challenge, hindering the expansion of our activities to a larger scale.

Respected sir,

On the occasion of world AIDS day 2022 you conducted awareness on HIV and AIDS on 1st December 2022 for the students in our College along with the NSS students of Christ College, Pune. The street play by the NSS students of Christ College and the banner display and explanation given by Sarva Seva Sangh team gave a clear understanding to the students on this social issue. We appreciate your team and the students of Christ College, Pune for your time and efforts to create awareness among students.

To,

The Principal

Christ College, Pune.

Sub. Appreciation for HIV and AIDS awareness for Students.

Dear Rev. Fr. Arun,

On the occasion of world AIDS day 2022 the NSS students from your college along with Sarva Seva Sangh conducted HIV and AIDS awareness for the high school students in our school on 1st December 2022. The street play by the NSS students and banner displays by Sarva Seva Sangh gave a clear understanding to our students on this social issue. We appreciate the NSS students for the time and efforts to create awareness among students.

Sincerely,

Principal
