This is a letter to inform about unhygienic food in the canteen and unclean washrooms. The canteen food has contained cockroaches a few times in the past. I also fell sick due to it Hence, I request you to take action on this. We should be provided with hygienic food.

The washrooms are not cleaned well and it always stinks. Its very hard to stay there even for a minute. I hope you will consider this problem & take care of it.

Thank You.

Never thought Christ College will be so casual about the health of students.

1. Boys Bathroom is shut
2. Water filter doesn't work. (Dont think we don't know how water filter work)
3. Hopless Canteen.

Several times we had raised these concerns but Fathers never paid any attention to our complaint.

I hope teachers and fathers use the same facility.

I hope something good happen

God keep us safe...

To,

the co-ordinator, BOM
