Greetings from SSB Institute!

I hope this email finds you well. Thank you for your valuable time Sir/ Mam

For your reference - SSB Educational Trust is a group of professionals who have been tirelessly pursuing students to achieve great success in their careers. What started as a small time home coaching Institute in Dadar, has now become a full time MSME registered organization, with 6 branches across Mumbai and Navi Mumbai and we are working with 6 states now.

With a staff strength of 15 employees and 25 qualified faculty members, expertise put together, we are successfully generating efficient officers every year and facilitating more careers!

Every single year, candidates are inspired to become officers for Class I and Class II ranks (Group A and Group B services) in Central and State Governments. However, Mumbai has been so engrossed in the corporate culture, that good opportunities in the Government Sector have been completely neglected.

With respect to the above details, I request you to kindly allow us to conduct an Hour of Interactive Session with your students, at any date of your convenience. Awaiting your confirmation.

I would like to add a brief introduction of our speaker, Mr Ravi Agrawal. By qualification he is a B.Com., M.Com, MBA but an extremely passionate educator. His aim is to revolutionise the youth to take up more Govt. Jobs and bring about a fresh change in the functioning of our future India. Based in Mumbai, he has a teaching experience of 8 years in Govt. Bank Jobs for SBI and all nationalised banks in India.
