REPORT INTRODUCTION TO MACHINE LEARNING SEMINAR

DEPARTMENT OF SCIENCE
20th AUGUST 2022
Attended by: TYBSc(CS) students.
Organized by: Christ College, Pune

About the Activity:

General Report:

The Introduction to Machine Learning seminar was held on 20th August 2022 at Christ College. The purpose of this seminar was to provide participants with a comprehensive understanding of the fundamental concepts, methods, and applications of machine learning. The seminar aimed to equip participants with the necessary knowledge to start applying machine learning techniques in their respective fields.

Aims & Objectives:

1. To introduce participants to the basic concepts and terminologies of machine learning.
2. To discuss various machine learning algorithms and their applications.

Learning Outcome:

1. Comprehensive understanding of machine learning concepts and terminologies.
2. Knowledge of various machine learning algorithms and their applications.
3. Practical experience in building and evaluating machine learning models using industry-standard tools and libraries.

No. of students benefited: 40

About the resource person:

Mr. Subhash Kumar
Subjects: Advanced JAVA, Data Structures, Machine Learning , Image processing , Deep Learning

Circular / Notice / Brochure / Invitation Correspondence:

Summary / Feedback:

The Introduction to Machine Learning seminar was successful in providing participants with a solid understanding of machine learning concepts, algorithms, and practical implementation techniques. The seminar equipped participants with the necessary knowledge and skills to apply machine learning in their work or research. The positive feedback from the participants indicates that the seminar was beneficial in creating awareness and interest in the field of machine learning.
