Industrial Visit

Objective

The objective of the visit was to provide students with an opportunity to observe and understand the practical aspects of stock market operations, financial regulation, and monetary policy formulation.

Report:

A batch of 60 final year TY BCOM and FY MCom students from the Department of Commerce along with faculty Asst Prof. Simi Sharma and Asst Prof. Mr Bitto Benny visited Bombay Stock Exchange [BSE] and Reserve Bank of India [RBI] at Mumbai, Maharashtra on 17th February 2023 . This visit was mainly focused on to understand the working or Bombay stock exchange and RBI.

A session was conducted by Dr. Aditya Shrinivas, COO – Brokers Forum, BSE at the Bombay Stock Exchange who enlightened the students with aspects of technological advancements at the BSE and how online trading platforms evolved from a traditional physical stock market. At the RBI, the students were briefed about the evolution of money and Indian Rupee with the help of a documentary prepared by the Reserve Bank of India. The students also visited The Reserve Bank Monetary Museum, which displayed almost all types of currencies from metals to paper and from paper and to E money. Antiques like weighing machines, old journals, etc. were also put on display.

Conclusion

The industrial visit to the Bombay Stock Exchange and the Reserve Bank of India provided TY BCom and FY MCom students with practical exposure to the operations and functions of key financial institutions. The visit enhanced their understanding of stock market operations, financial regulation, and monetary policy formulation. The insights gained from the visit will undoubtedly contribute to their academic and professional growth in the field of commerce and finance. The experience of witnessing the functioning of these institutions firsthand will help students relate theory to practice and develop a broader perspective on the financial industry.
