Activity Report

About the Activity

General Report:

All students of the Department of Economics visited the Parle-G Factory located at Malvan in Pune on 8th October 2022. It was a day visit. The students were taken around the entire factory and shown the various processes from mixing of the dough to the packaging of the biscuits. The students could see first-hand how high quality was being maintained and how the company aimed at zero wastage. The baking and cooling processes were also shown to the students.

The attendants Ms. Swati and Mr. Shekhar shared the core values of the company and how employees maintain their loyalty towards the company. They shared their personal experiences of their long tenure in the company and how they are looked after well in the factory.

Students were given a tour of the factory and served freshly baked biscuits too.

Aims & Objectives:

1. Industrial Visit
2. First hand experience of the working or making of a product.
3. To get acquainted with quality control measures adopted in the company.
4. To get knowledge on the manufacturing process of the company.
5. To get an understanding of the core values of the company.

Learning Outcome:

1. Students visited the factory.
2. Students saw and understood the manufacturing process.
3. Students saw the packaging unit.
4. Students understood the core values of the company.
5. Students were aware of the quality control measures adopted by the company.

No. of Students benefitted:

All students of FY/SY/TY who attended the session.

Feedback Summary

Students of Department of Arts visited the plant of parle at Pune. The students explored the manufacturing plant in dept and came to know the whole process of making parle biscuit manufacturing. Students where briefly told about the history of parle when was it founded, how did they grew in market, how they expanded their product line, how they are better that their competitors. The students were glad to explore the parle company. The plant manager gave the students a quick guide to the making process of parle cookies. At the end students even got to taste freshly made parle cookies which they enjoyed a lot.
