Activity Report

About the Activity

General Report: The International Conference on "Technological Foresights in Research and Innovation in the Field of Science", held in a hybrid mode on June 2-3, 2023, provided a platform for leading experts to discuss the latest advancements in various scientific domains. With a focus on emerging technologies, the conference featured three distinguished speakers: Dr. Chandrani Singh, Dr. Ezhil Mary, and Dr. Vishwas Patil, who presented their insights on Artificial Intelligence (AI), Data Science and Analytics, and Online Social Networks, Blockchain, and Generative AI, respectively. Dr. Chandrani Singh delivered a thought-provoking presentation on the state of Artificial Intelligence (AI). She emphasized the rapid advancements in AI and its profound impact on various industries., she shared her insights on the future of AI, including its potential applications in healthcare, finance, and education. The presentation was well-received by the audience, sparking discussions on the ethical challenges that AI researchers and developers need to address. Dr. Ezhil Mary provided an insightful presentation on Data Science and Analytics, highlighting the pivotal role of data in decision-making across industries. She discussed the importance of data-driven strategies and how organizations can leverage data to gain a competitive edge. Her presentation delved into various data analysis techniques and the growing demand for skilled data scientists. The audience engaged in discussions about the challenges and opportunities in the field of data science. Dr. Vishwas Patil's presentation was a captivating exploration of the interconnected domains of Online Social Networks, Blockchain, and Generative AI. He discussed real-world applications of blockchain and generative AI in online communities, including decentralized social media platforms and AI-driven content recommendation systems. The audience was enthralled by the potential of these technologies to reshape the digital landscape. The conference featured 42 research papers spanning various scientific disciplines, demonstrating the diverse range of topics explored by researchers. The papers covered cutting-edge research, innovative methodologies, and practical applications, contributing to the collective knowledge in the field of science and technology. Notably, Aparna Vidyanathan received the prestigious Best Paper Award for her outstanding research contribution, exemplifying excellence in scientific inquiry and innovation. Additionally, three Junior Research Scholar Awards were presented to recognize the promising work of young researchers, highlighting the importance of nurturing talent in the scientific community.

Aims & Objectives:

1. To provide networking and collaboration opportunities for students, professors, and industry specialists in science.
2. To serve as a forum for researchers to communicate their latest findings with others.
3. To provide an environment in which current trends and concerns in the field of research can be addressed.

Learning Outcome:

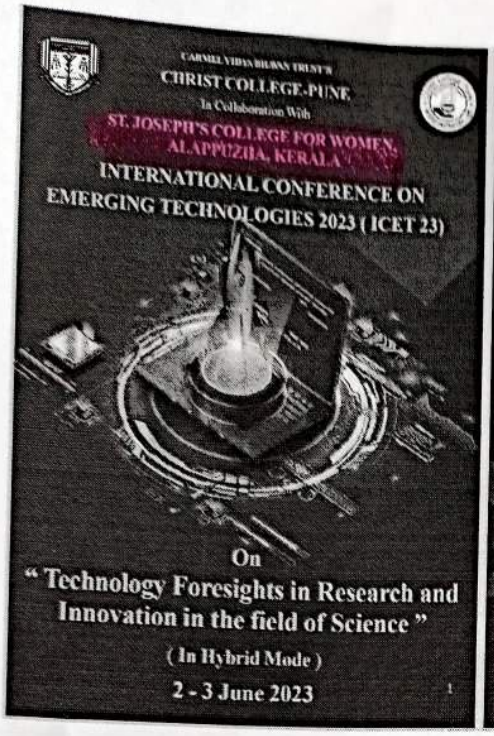

1. Participants gain in-depth knowledge about the latest advancements and innovations in various scientific fields, staying updated on cutting-edge research.
2. Attendees learn how different scientific domains intersect and how cross-disciplinary collaboration can lead to innovative solutions and discoveries.
3. inspire participants to think creatively and innovate within their own research or industry contexts.

ABOUT CHRIST COLLEGE

Christ College, Pune is a noble venture by Carmel Vidya Bhavan Trust formed by the members of the congregation of the Carmelites of Mary Immaculate (CMI), the first indigenous religious congregation in India. A great visionary and pioneer who left his footprints in the fields of education, social reform, communication, culture and religious formation – Saint Chavara is our inspiration. Having a great legacy in the field of education, Christ College strives to impart quality education without distinction of religion, caste or creed. Inspiring them to become men and women of integrity, the motivated faculty ensures that the students are trained in tune with the latest developments in the subject.

ABOUT ST. JOSEPH'S COLLEGE

St. Joseph's College for Women was established in 1954 by the Carmelites of Mary Immaculate, an international congregation of missionary sisters. It is situated at Convent Square on National Highway 47 in the heartland of Alleppey Town. This institution has catered to the cause of women's education for sixty nine long years, especially the underprivileged and marginalized communities. St. Joseph's leaves an incredible imprint in the society around as a reputed center for Higher Education in the State of Kerala, scaling peaks of excellence in both academic and extra-curricular fields.
