Activity Report

REPORT FOR HANDS ON – WHAT IS DATA SCIENCE? INTRODUCTION TO
PRAVINYAM GUEST LECTURE
DEPARTMENT OF SCIENCE
27th FEBRUARY 2023
Attended by: FYBSc(CS) students.
Organized by: Christ College, Pune

About the Activity:

General Report:

The Hands-on Data Science Seminar was conducted on 27/02/2023 at Christ College with the aim of providing participants with practical knowledge and skills in data science. The seminar featured a diverse range of topics and hands-on sessions that aimed to equip attendees with the necessary tools and techniques to analyse and interpret data effectively.

Aims & Objectives:

1. Introduce participants to the fundamental concepts and principles of data science.
2. Enhance participants' understanding and ability to handle large datasets.
3. Develop participants' skills in data visualization and interpretation.

Learning Outcome:

1. The seminar emphasized the growing importance of data science across industries, highlighting its potential to drive insights, informed decision-making, and innovation.

2. The Hands-on Data Science Seminar successfully delivered on its objective of providing comprehensive, practical knowledge in data science.

No. of students benefited: 21

Summary / Feedback:

The Hands-on Data Science Seminar successfully delivered on its objective of providing comprehensive, practical knowledge in data science. The combination of expert presentations, hands-on workshops, and networking opportunities allowed participants to deepen their understanding and build connections within the data science community. The seminar received positive feedback from attendees, indicating a demand for further engagement and advanced learning opportunities in this rapidly growing field.
