CHRIST COLLEGE-PUNE

Department of Commerce

Activity Report

Academic Year: 2022 - 2023

Activity Type : Industry Visit

Infosys

Date : 28th January 2023

Introduction:

On 28th January 2023, Christ College- Pune had the opportunity to visit Infosys, one of the leading global information technology and consulting companies. The purpose of the visit was to gain insight into the operations, technology infrastructure, and corporate culture of Infosys. The visit provided us with a valuable opportunity to witness firsthand how a renowned IT company operates and to understand its contribution to the industry.

Aims & objectives:

- An industry visit provides an opportunity to gain firsthand knowledge about the operations, processes, and technologies used in a particular industry.
- Industry visits provide an opportunity to explore potential career paths within a particular industry.
- Industry visits often involve interactions with professionals and experts in the field.

Company profile:

Infosys, founded in 1981, has grown to become a multinational corporation with a presence in over 45 countries. The company offers a wide range of services, including software development, systems integration, consulting, and business process outsourcing. With a strong focus on innovation and digital transformation, Infosys has established itself as a key player in the IT industry.

About the Industry visit:

Christ College, Pune organized an industrial visit on 28th January, 2023 to Infosys- India's second largest IT Company. The visit was organized with the prior permission and guidance of Hon. Director Fr.Arun Anthony Chully CMI. On reaching the campus students were given certain guidance and rules that are to be followed within the campus premises and told us to gather in the open auditorium where we given a warm welcome as well an introductory session was conducted by the resource person. After briefing us about the history, working pattern at Infosys, certain topics such as employee welfare, CSR activities, resume creation format details, personal development, use of communication in an appropriate manner etc were discussed.

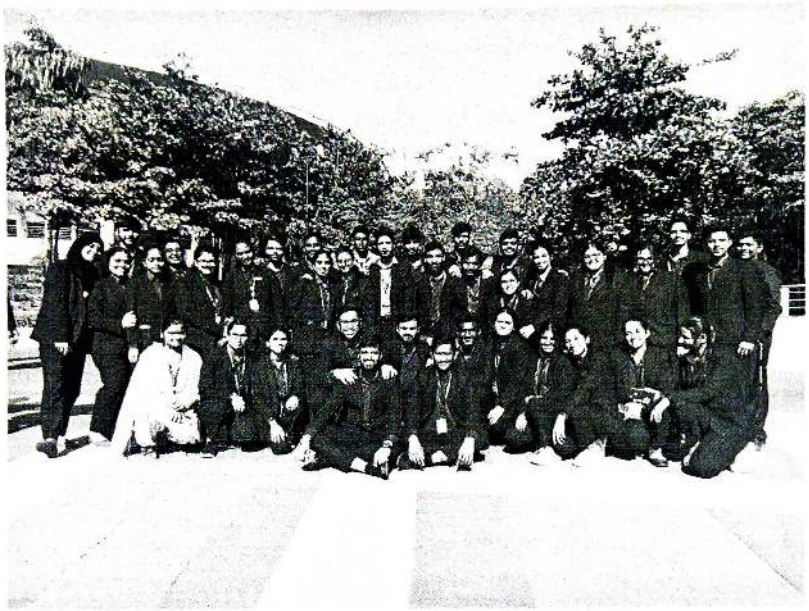

He shared his vision of excellence and success at Infosys. Also motivated students on how they can get an opportunity to work with an institution like Infosys. Towards the conclusion a campus tour was arranged, we visited the different sections of the campus where places were divided according to the work and the projects that the people were involved into and were working on. The visit lasted from 11am to 3:30pm followed by lunch at the Infosys food court. The response from students was awesome and they were all overjoyed by the experience they had. They not only visited the company, they also got an insight to the corporate world through one of the most successful and value driven companies in the world.

Conclusion:

The industry visit to Infosys was an enriching and insightful experience for all the students. It provided us with a practical understanding of the IT industry, its working environment, and the latest technologies and trends. The visit helped bridge the gap between classroom learning and real-world application, inspiring us to further explore and pursue careers in the IT sector. We extend our gratitude to Infosys for their hospitality and for providing us with this valuable opportunity.
